

Always advancing

ACI envisions a future where everyone has the knowledge needed to use concrete effectively to meet the demands of a changing world.

MEMBERSHIP

Members include engineers, architects, educators, students, contractors, technical professionals, and many others interested in concrete.

PUBLICATIONS

Hundreds of technical documents, handbooks, manuals, and publications related to design, construction, maintenance, and repair.

CERTIFICATION

30+ certification programs available online and in-person for installers, technicians, specialists, and inspectors.

ACI UNIVERSITY

A global, online learning resource providing on-demand access to 225+ seminars, webinars, and new topics in concrete.

NETWORKING

Opportunities include conventions, seminars, committees, chapter membership, and international partnership.

ACI FOUNDATION

A nonprofit organization established by ACI to support research and scholarships, and provide thought leadership and strategic direction for the concrete industry.
