Session Attendance Tracking Form for the ACI Spring 2009 Convention

San Antonio, TX • March 15-19, 2009

Use this form to track your attendance at ACI sessions. This form can be submitted to state boards that allow self-reporting of Continuing Education activities as evidence of participation. In most cases, 1 contact hour is equal to 1 Professional Development Hour (PDH). Check with your state board for acceptance criteria. *Please note: ACI does not track and cannot provide documentation confirming attendee participation or attendance at any ACI session held during the Convention.*

Instructions: Check off each session you attended and write in the number of PDH credits you earned for each day.

Remember that 1 PDH is equal to a contact hour (nominal) of instruction or presentation, rounded down to the nearest half-hour.
