Historical and Modern Concrete Structures in Chicago Part 2

Structural Concrete in the Americas
Sixth International Workshop, 2010
March 19 - 20, Chicago, IL

ACI WEB SESSIONS

ACI Web Sessions

The audio for this web session will begin momentarily and will play in its entirety along with the slides.

Note: If the slides begin to lag behind the audio, back up one slide to re-sync.

ACI WEB SESSIONS

ACI Web Sessions

ACI is bringing you this Web Session in keeping with its motto of "Advancing Concrete Knowledge." The ideas expressed, however, are those of the speakers and do not necessarily reflect the views of ACI or its committees.

Please adjust your audio to an appropriate level at this time.

ACI WEB SESSIONS

ACI Web Sessions

ACI Web Sessions are recorded at ACI Conventions and other concrete industry events. At regular intervals, a new set of presentations can be viewed on ACI's website free of charge.

After one week, the presentations will be temporarily archived on the ACI website or made part of ACI's Online CEU Program, depending on their content.

ACI WEB SESSIONS

ACI Online CEU Program

ACI offers an easy-to-use Online CEU Program for anyone who needs to earn Continuing Education credits.

Once registered, you can download and study reference material. After passing a 10-question exam on the material, you will receive a certificate of completion that you can present to local licensing agencies.

Visit www.concrete.org/education/edu_online_CEU.htm for more information.

ACI WEB SESSIONS

ACI Conventions

ACI conventions provide a forum for networking, learning the latest in concrete technology and practices, renewing old friendships, and making new ones. At each of ACI's two annual conventions, technical and educational committees meet to develop the standards, reports, and other documents necessary to keep abreast of the ever-changing world of concrete technology.

With over 1,300 delegates attending each convention, there is ample opportunity to meet and talk individually with some of the most prominent persons in the field of concrete technology. For more information about ACI conventions, visit www.aciconvention.org.

ACI WEB SESSIONS

ACI Web Sessions

This ACI Web Session includes one speaker presenting at the Structural Concrete in the Americas Sixth International Workshop held in Chicago, IL, March 19th and 20th, 2010.

Additional presentations will be made available in future ACI Web Sessions.

Please enjoy the presentations.

ACI WEB SESSIONS

John Zils received a B.A. in architecture and an M.S. in structural engineering from the University of Illinois at Urbana-Champaign (UIUC). He is a licensed structural engineer and architect in Illinois, a licensed professional engineer and architect in Wisconsin, and a licensed professional engineer in New York.

Mr. Zils is a Fellow of ASCE and AIA, and is a past president of the Structural Engineers Association of Illinois (SEAOI), past president of the Structural Engineers Foundation (SEF), and past chairman of the Chicago Committee on High Rise Buildings. Mr. Zils joined Skidmore, Owings & Merrill LLP (SOM) in 1966 as a structural engineer and recently retired as an Associate Partner after more than 40 years with SOM. He is currently working part-time with SOM as a Senior Structural Consultant.
