

Calls for Papers

Notable Concrete in Minneapolis and Vicinity

Document: Compendium of notable concrete in Minneapolis and vicinity for publication at the ACI Spring 2013 Convention, April 14-18, 2013, in Minneapolis, MN. Compiled by ACI Committee 124, Concrete Aesthetics, and cosponsored by the ACI Minnesota Chapter and AIA Minneapolis. Document also will be available as an electronic file on the ACI website.

Solicited: Image and brief description of notable concrete—cast-in-place, precast, post-tensioned, masonry, or tilt-up—in all types of uses: buildings, monuments, pavement, silos, bridges, crypts, furniture, retaining walls, tanks, sculpture, culverts, plazas, and whatever else has caught your attention. Significance may be historical, aesthetic, functional, structural, construction-related, unusual use or application, or simply personal affection.

Requirements: 1) Name and location of submission; 2) image (photograph, drawing, or sketch) that is not copyrighted; 3) brief description that establishes significance and lists credits; and 4) submitter's name, title, organization, and contact information. Location information should be sufficient to enable discovery by reader. Submit all information in electronic format: image as JPEG or TIFF file at least 1 MB (but no more than 4 MB); text in e-mail or as MS Word document (100 words maximum).

Deadline: Submissions are due by December 7, 2012.

Send to: Michael J. Paul, Duffield Associates, 211 North 13th Street, Suite 704, Philadelphia, PA, 19107; telephone: (215) 545-7295; e-mail: mpaul@duffnet.com.

ACI-James Instruments Student Award for Research on NDT of Concrete

Event: The ACI-James Instruments Student Award for Research on NDT of Concrete is sponsored by James

Calls for Papers: Submission Guidelines

We recommend that notices of calls for papers be submitted to *Concrete International* at least 9 months (or sooner) prior to the prospective sessions. This timetable generally allows publishing of the notification in three issues of the magazine. Please send meeting information, papers/presentations being solicited, abstract requirements, and deadline, along with full contact information to: Keith A. Tosolt, Managing Editor, *Concrete International*, 38800 Country Club Drive, Farmington Hills, MI 48331; fax: (248) 848-3150; e-mail: Keith.Tosolt@concrete.org. Visit www.callforpapers.concrete.org for more information.

Instruments, Inc., a Chicago, IL-based manufacturer and distributor of nondestructive testing (NDT) systems, and it will be given by ACI Committee 228, Nondestructive Testing of Concrete.

Solicited: Papers submitted must be original research on NDT of concrete. The research work must have been performed by a student while enrolled in a degree program (graduate or undergraduate) at an accredited institution of higher education. Research must focus on or possibly lay the foundation for the development of an NDT method for concrete.

Requirements: The student must be the primary author of the paper. The applicant need not be enrolled at the time of submission, but the work must have been performed (completed) within 2 years of the date of submission. Technical papers should conform to the style and standards of the ACI Journals.

Deadline: Entries are due by December 3, 2012.

Send to: F. Dirk Heidbrink, Wiss, Janney, Elstner Associates, Inc., 330 Pfingsten Road, Northbrook, IL 60062; e-mail: FHeidbrink@wjec.com.

ACI Young Professional Essay Contest

Event: The ACI Young Professional Essay Contest was developed by ACI Committee S806, Young Professional Activities (YPA). The YPA identified a need to involve young professionals in the activities at ACI conventions and within the Institute as a whole. To this end, the YPA created the Young Professional's Essay Contest as a way for these members to engage with ACI.

Solicited: Essays are invited on the topic of how learning concrete design, manufacturing, or construction principles has affected the long-term career interests of the young professional.

Requirements: All applicants must have been involved in a concrete- or construction-related industry for less than 8 years. Years spent as a full-time student studying a construction-related field do not count toward these 8 years. The essay should have a maximum length of two pages, typed in 12-point font, with 1 in. (25 mm) margins on letter-size paper. Any references should be cited correctly, and the reference list shall be part of the two pages of the document.

Deadline: Essays are due by January 31, 2013.

Send to: Michelle Totin, ACI, 38800 Country Club Drive, Farmington Hills, MI 48331; e-mail: Michelle.Totin@concrete.org.

Errata for ACI Publications Available Online

Under the pull-down menu for "Bookstore & Publications" at www.concrete.org, errata can be searched by document number or keywords.
