Notable Concrete in Phoenix and Vicinity

Document: Compendium of notable concrete in Phoenix and vicinity for publication at the ACI Fall 2013 Convention, October 20-24, 2013, in Phoenix, AZ. Document also will be available as an electronic file on the ACI website, and may be excerpted in *Concrete International*. Images submitted will be stored and available as electronic

files on the ACI website and may be used in ACI educational and promotional materials. Exceptional images may merit placement on the cover of *Concrete International*.

Solicited: Image and brief description of notable concrete—cast-in-place, precast, post-tensioned, masonry, or tilt-up—in all types of uses: buildings, monuments, pavement, silos, bridges, crypts, furniture, retaining walls, tanks, sculpture, culverts, plazas, and whatever else has caught your attention. Significance may be historical, aesthetic, functional, structural, construction-related, unusual use or application, or simply personal affection.

Requirements: 1) Name and location of submission; 2) image (photograph, drawing, or sketch) that is not copyrighted; 3) brief description that establishes significance and lists credits; and 4) submitter's name, title, organization, and contact information. Location information should be sufficient to enable discovery by reader. Submit all information in electronic format: image as JPEG or TIFF file at least 1 MB (but no more than 4 MB); text in e-mail or as MS Word document (100 words maximum).

Deadline: Submissions are due by July 1, 2013.

Send to: Michael J. Paul, Built Form LLC, 304 Country Club Drive, Wilmington, DE 19803; e-mail: mjp@builtform2.com.

History of Concrete Construction

Meeting: Technical session at the ACI Spring 2014 Convention, March 23-27, 2014, in Reno, NV; sponsored by ACI Committees E702, Designing Concrete Structures; 120, History of Concrete; and the International Advisory Committee.

Solicited: Presentations are invited on design, construction, safety, and concrete practices used before modern equipment and testing laboratories became available. These presentations will be made available on ACI's website.

Requirements: 1) Presentation title; 2) author/speaker name(s), job title, affiliation, and contact information; and 3) a one-page abstract.

Deadline: Abstracts are due by September 1, 2013.

Send to: Luke M. Snell, Western Technologies, Inc., e-mail: l.snell@wt-us.com.

Calls for Papers: Submission Guidelines

We recommend that notices of calls for papers be submitted to *Concrete International* at least 9 months (or sooner) prior to the prospective sessions. This timetable generally allows publishing of the notification in three issues of the magazine. Please send meeting information, papers/presentations being solicited, abstract requirements, and deadline, along with full contact information to: Keith A. Tosolt, Managing Editor, *Concrete International*, 38800 Country Club Drive, Farmington Hills, MI 48331; fax: (248) 848-3150; e-mail: Keith.Tosolt@concrete.org. Visit www.callforpapers.concrete.org for more information.
