

# Public Discussion

ACI draft standards open for public discussion that are being processed through ACI's ANSI-approved standardization procedures can be found at [www.discussion.concrete.org](http://www.discussion.concrete.org). These are not yet official ACI standards.

## Public Discussion and Closures

### “Code Requirements for Nuclear Safety-Related Concrete Structures (ACI 349) and Commentary”

On September 28, 2012, the Standards Board granted approval to release the draft standard for public discussion and to process it as an ACI standard. Public discussion was announced on November 1, 2012, and closed on December 17, 2012. The committee responded to the public discussion. TAC reviewed the closure and approved it on August 1, 2013. The Standards Board approved publication of the ACI standard on August 15, 2013.

The public discussion and the committee's response to the discussion are available on ACI's website, [www.concrete.org](http://www.concrete.org) (click on “Technical” on the menu bar, and then on “Upcoming Standards”).

### “Design Specification for Unbonded Post-Tensioned Precast Concrete Special Moment Frames Satisfying ACI 374.1 (ACI-ASCE 550.3) and Commentary”

On December 27, 2012, the Standards Board granted approval to release the draft standard for public discussion and to process it as an ACI standard. Public discussion was announced on February 1, 2013, and closed on March 17, 2013. The committee responded to the public discussion. TAC reviewed the closure and approved it on July 23, 2013. The Standards Board approved publication of the ACI standard on August 8, 2013.

The public discussion and the committee's response to the discussion are available on ACI's website, [www.concrete.org](http://www.concrete.org) (click on “Technical” on the menu bar, and then on “Upcoming Standards”).
