

# Standardization

The following ACI draft standard is open for public discussion. It is being processed through ACI's ANSI-approved standardization procedures and is not yet an official ACI standard. To see a summary of all ACI draft standards in process or recently completed within the past 3 months, please visit [www.discussion.concrete.org](http://www.discussion.concrete.org).

Document number	Title	Open for discussion	Discussion closes
548.10	Specification for Type MMS (Methyl Methacrylate Slurry) Polymer Overlays for Bridge and Parking Garage Decks	2/1/2010	3/17/2010

## PROPOSED STANDARD "SPECIFICATION FOR TYPE MMS (METHYL METHACRYLATE SLURRY) POLYMER OVERLAYS FOR BRIDGE AND PARKING GARAGE DECKS (548.10)"

The ACI Technical Activities Committee (TAC) approved processing the subject document through ACI's Standardization Procedure in July 2009, as did the ACI Standards Board in December 2009.

Therefore, this draft document is open for public discussion from February 1, 2010, until March 17, 2010. The document appears on the ACI website, [www.discussion.concrete.org](http://www.discussion.concrete.org).

Pertinent discussion will be available on ACI's website and announced in a future issue of *Concrete International* if received no later than March 17, 2010. Comments should be e-mailed to [discussion@concrete.org](mailto:discussion@concrete.org) or mailed to Jessie L. Bournay, Manager, Technical Documents, American Concrete Institute, 38800 Country Club Drive, Farmington Hills, MI 48331.
