Get Involved

With over 300 committee meetings, 40+ sessions, an exhibit area, and numerous networking events, the ACI Concrete Convention provides a forum for the development and advancement of current issues in the concrete industry.

Showcase your company’s products and services by being involved in a meeting attended by the key leaders and decision-makers in the concrete industry.

Connect

More than 2000 engineers, architects, contractors, educators, manufacturers, and material representatives gather from around the world to learn from one another and engage with like-minded companies who develop and impact the concrete industry and its codes, specifications, and guides. Decisions made during the ACI Concrete Convention improve the safety and sustainability of concrete structures worldwide.

Exhibit

Showcase your company, products, and services through 3.5 days of exhibit hall presence, during dedicated events alongside exhibitor booths, and through demonstrations/presentations reserved just for exhibitors.

Sponsor

Be positioned as a leader in the industry, build your brand, and contribute to the overall success of the event—sponsors receive name/logo inclusion in communications, on-site recognition, and more.

Don’t Miss Out!

Don’t miss this opportunity to be part of this important gathering of professionals!
Reserve your spot today!
For more information on how you can get involved, contact Kim Spillane at +1.248.848.3197 or kim.spillane@concrete.org.

"The Silica Fume Association has been exhibiting at ACI conventions since the late ‘90s, and likely from the beginning. We’ve strong feelings about reaching out to the upcoming engineers and students in the concrete profession and have found ACI conventions a great venue for contacting the next movers and shakers in our industry. We are always pleased when a field engineer on a project says, I first heard of high-performance concrete, and silica fume technology at an ACI convention. Who are the next specifiers? We (The SFA) meet them at ACI conventions."

– Tony Kojundic,
Silica Fume Association

In addition to showcasing our products and networking with people who are influential in the concrete industry, attending and exhibiting at ACI conventions allows us to stay current on issues that may affect the GPR inspection market."

## Monetary Donation Sponsorship Opportunities

Why Sponsor the ACI Concrete Convention?

Sponsorship is one of the best ways to brand your organization as a leader in the industry and to highlight your commitment to advancing and sharing knowledge. As a sponsor, you will be able to:

- **Connect with industry decision-makers.** With over 2000 attendees, the convention is the place to be heard and seen. The convention represents organizations from across the globe!
- **Showcase your organization’s expertise** at a world-class convention. The convention provides high-quality opportunities for attendees to learn, connect, and share with their peers.
- **Demonstrate your leadership.** As we focus on the essential role that concrete plays in society, share with your colleagues the topics and work you care deeply about.

Booth Assignments
ACI uses a point system to allocate exhibit space. Exhibitors earn points at each convention in which they participate. Points are awarded per show. Points are retroactive from the previous six conventions. The point system scale is listed below:

- 10 x 10 ft exhibit space—one point per show
- 10 x 20 ft exhibit space—two points per show
- Sponsorship that includes a booth—two points per show

Points will only be given to exhibitors who comply with ACI's Exhibitor Guidelines. Failure to comply will result in the loss of points. The point system does not preclude the exhibitor from requesting their top five locations.

ACI Show Management reserves the right to make changes to the floor plan in the event of a potential hazard or to increase traffic flow in the exhibit area.

Should you have any questions regarding the point system, booth assignments, or the exhibitor guidelines, please contact Elizabeth Zimmerman at +1.248.848.3186 or elizabeth.zimmerman@concrete.org.

Booth Construction
Exhibit materials may not extend past the allotted 10 x 10 ft area. Signage and setup should allow line of sight to other exhibitors. Show management has the right to make you take down or remove anything that may block the view of other booths.

Forced Freight
Materials not packed and picked up by the end of the designated move-out time will be considered forced freight. The general service contractor will assume responsibility for forwarding that freight to the exhibitor. Exhibitors will be responsible for the costs to break down, package, and ship that freight.

Manning Your Exhibit Booth
ACI only requires that materials be readily available to be picked up by attendees during the show hours. ACI does NOT require that exhibitors be in their booth at all times.

Exhibitor Move-in
If you foresee a problem with moving in during the designated move-in hours, please call Elizabeth Zimmerman at +1.248.848.3186 to make alternate arrangements. Please note: if you need assistance from the service contractor at alternate times, you will incur charges. Exhibitors who have not made prior arrangements and have not set up at the end of move-in may not be permitted to set up their booth.

Exhibitor Move-Out
Please do not break down before the end of the show hours. ACI schedules labor based on the show closing time. No adjustments to the scheduled labor, delivery of storage materials, and acceptance of bills of lading will be made for an exhibitor that breaks down prior to show closing. Exhibitors who break down before the end of the show will forfeit their points earned for that show.

Storage
Combustible materials such as crates and boxes are limited to a 1-DAY SUPPLY on the exhibit floor. Storage of combustible materials behind booths is prohibited. The fire marshal will inspect prior to the show opening. Exhibitors must remove any items that the fire marshal deems a fire hazard. Failure to do so will result in delaying the opening of the show and you may be removed from the exhibit floor.

Sales on Exhibit Floor
Exhibitors may sell or take orders for any concrete-related product only in their booth. Only the ACI Bookstore may sell publications/documents. Any exhibitor or sponsor found to be selling publications/documents on the show floor or unrelated product to the concrete industry will be given a verbal warning for the first offense, written warning for the second offense, and immediately requested by staff to leave the show floor on the third offense.

Security
The American Concrete Institute provides overnight security only. Exhibitors should remove from their booth all items of value that can be easily taken at the end of each day. The American Concrete Institute and the Hotel are not responsible for lost or stolen items.

Cancellation
An administrative fee of 50% of the pledged amount will be charged for any cancellation occurring more than 60 days prior to the convention start date. Cancellations received less than 60 days before will not receive a refund. If ACI cancels the convention due to circumstances beyond their reasonable control, ACI shall refund to each exhibitor its exhibit space rental payment previously paid, minus a share of costs and expenses incurred. Circumstances will be asked by ACI if God such as war; government regulations; civil disorders; transportation disruption; work stoppage; terrorist act within 250 miles of destination; disaster including fire, flood, tornado, and hurricane; and entire or partial destruction of the venue.

Indemnification
The Exhibitor/Sponsor assumes all responsibility for all loss, theft, and/or damage to exhibitor's displays, equipment, and other property while on Hotel premises, and hereby waives any and all claims and/or demands it may have against ACI and Hotel, its parent and/or any of its affiliate companies arising from such loss, theft, and/or damage. In addition, the Exhibitor/Sponsor agrees to defend indemnify and hold harmless ACI and Hotel and their respective parent, subsidiary, and other related and affiliated companies from and against any and all liabilities, obligations, claims, damages, suits, costs, and expenses, including, without limitation, attorneys' fees, costs of court, and costs of other professionals, arising from directly and/or indirectly and/or in connection with the Exhibitor/Sponsor's occupancy and/or use of the exhibition premises and/or any part thereof and/or any act, error, and/or omission of the exhibitor and/or its employees, subcontractors, and/or agents. The provisions of indemnity herein shall survive, indefinitely, the expiration or earlier termination of this Agreement, shall not be limited to the amount of insurance maintained by the Exhibitor/Sponsor, and shall extend to claims occurring after the expiration or earlier termination of this Agreement as well as to claims occurring while this Agreement is in force.

Insurance
The exhibitor understands that the American Concrete Institute, the Hotel, the overnight security company, or general services contractor does not maintain insurance covering exhibitor's property or lost revenue. Exhibitors shall, at their own expense, secure and maintain through the duration of the ACI convention, including move-in and move-out days, keep in force general liability insurance covering bodily injury, broad form property damage, and worker's compensation insurance. Exhibitor shall provide ACI with a copy of its insurance certificate no later than 30 days (2/28/2020) prior to the convention.

Americans with Disabilities Act
All parties shall be responsible for compliance with the public accommodation requirements of the Americans with Disabilities Act and the Act's accompanying regulations and guidelines (collectively, the “ADA”). Hotel shall provide, to the extent required by the Act, such auxiliary aids and/or services as may be reasonably requested by ACI, provided ACI gives notice to the Hotel of the party seeking such accommodation. The provisions of the Act are to be interpreted in accordance with the requirements of the ADA and the Act’s accompanying regulations. Exhibitor/Sponsor shall provide ACI with a copy of its insurance certificate no later than 30 days (2/28/2020) prior to the convention.

Care of the Venue
Exhibitor/Sponsor shall promptly pay for any and all damages to the venue or booth equipment of the property or others caused by the exhibitor/sponsor.

Suitcasing
Attendees, sponsors, or exhibitors found to be “suitcasing” (soliciting business in session and committee meeting rooms, aisles, or booth of another exhibitor) will be asked to cease this practice. Should this continue, they will be asked to leave the show floor immediately and will forfeit any exhibitor points earned for that show.
