NOMINATION FOR FELLOW OF THE AMERICAN CONCRETE INSTITUTE

QUALIFICATION REQUIREMENTS: At the time of nomination, a Fellow shall have been a Member of the Institute, or a representative of an Organizational or Sustaining Member of the Institute, for at least fifteen years, including three of the last five years. A Fellow shall have made outstanding contributions to the production or use of concrete materials, products, and structures in the areas of education, research, development, design, construction, or management. In addition, a Fellow shall have made significant contributions to ACI through committees and/or local chapters. A Fellow shall retain that membership rank as long as membership in the Institute is maintained or until elected an Honorary Member. Nominations for deceased individuals will not be considered. Staff members will no longer be considered.

SPONSORS: Candidates for the Grade of Fellow may be sponsored by: (a) any group of five ACI Members, (b) a Member of the Fellows Nomination Committee, (c) the International Advisory Committee, or (d) any ACI Chapter.

Date: _______________________________________

To: The Fellows Nomination Committee:

The following ACI Member is hereby nominated for election to the Grade of Fellow of the American Concrete Institute:

Name of Candidate   ___________________________________________________________________
Surname   First   Initial

ACI Membership History (e.g., 1983-1990, 1993-present)
________________________________________________________________________
________________________________________________________________________

Present Position/Title
________________________________________________________________________
________________________________________________________________________

Company/Institution
________________________________________________________________________
________________________________________________________________________

Business Address
________________________________________________________________________
________________________________________________________________________

Mailing Address (if different from business address)
________________________________________________________________________

Indicate area(s) in which the candidate has made significant contributions, and which is the primary basis of this nomination:

- Education
- Research
- Development

- Design
- Construction
- Management

SAMPLES OF PAST CITATIONS

Dr. Detwiler’s research has advanced the state of the art in the areas of concrete durability, supplementary cementing materials, and test methods. She has contributed to the quality of ACI’s publications as an author, reviewer, and member of both the Publications Committee and the Journals Oversight Team.

Dr. Eberhard has contributed to reinforced and prestressed concrete research and education. He has conducted research in the areas of reinforced and prestressed concrete structures including the investigation of the effects of seismic loading and the use of nondestructive test methods. He has been awarded the ASCE Raymond Research Prize and a National Science Foundation Presidential Young Investigator Award. He has also served as a member and held leadership positions on several ACI technical committees.

Ms. Glassgold has been recognized for her service as Secretary of the TAC Specification Committee fostering quality and accuracy in the writing of concrete specifications and for her participation on various ACI Board committees and directing the Maryland Chapter of ACI as a committee chair and president. She has promoted excellence in shotcrete construction through her committee 506 activity and through field practice in her daily work. She has encouraged young people, especially women, to choose engineering as a career path.
