TEN YEARS OF EXCELLENCE

Dear Honored Guests,

Welcome to the 10th ACI Excellence in Concrete Construction Awards Gala! Tonight, we gather to celebrate a decade of groundbreaking achievements, innovation, and excellence in the field of concrete construction.

Over the past 10 years, the ACI Excellence in Concrete Construction Awards has become a hallmark of distinction, recognizing the most outstanding projects from around the globe. These awards highlight the diversity and versatility of concrete as a building material, showcasing its role in creating structures that are not only functional and sustainable but also aesthetically captivating.

As we commemorate this milestone, let us reflect on the incredible advancements that have shaped our industry. From towering skyscrapers to intricate bridges, from sustainable urban developments to innovative architectural marvels, the projects we celebrate tonight exemplify the limitless possibilities of concrete construction.

This evening, we will honor the visionaries behind these extraordinary projects, whose relentless pursuit of excellence has pushed the boundaries of what is possible. Their work stands as a testament to the power of collaboration, creativity, and technical expertise in shaping the built environment of tomorrow.

We extend our heartfelt congratulations to all the nominees and award recipients. Your contributions have set new benchmarks for excellence and have inspired us all to strive for greater heights. We also express our deepest gratitude to our sponsors, partners, and volunteers whose support has made this event possible.

As we look forward to the next decade, let us continue to embrace innovation, foster collaboration, and pursue excellence in all that we do. Together, we will build a future where concrete construction not only meets the challenges of our time but also paves the way for a more sustainable, resilient, and beautiful world.

Thank you for joining us in this celebration of excellence. Enjoy the evening!

Sincerely,

Frederick H. Grubbe
Executive Vice President

CALL FOR JUDGES!

2025 Excellence in Concrete Construction Awards

We are currently accepting applications for judges for the 2025 awards program. The American Concrete Institute's annual Excellence in Concrete Construction Awards honors exceptional concrete construction from around the world.

Projects are judged on:

1. Architectural merit
2. Engineering merit
3. Creativity
4. Innovative construction techniques or solutions
5. Innovative use of materials
6. Ingenuity
7. Sustainability and resilience
8. Functionality and end-use suitability

Apply Today! Deadline is January 1, 2025.

All judges will be contacted by January 30, 2025.

For more information, contact:
Esther Beery at esther.beery@concrete.org or +1.248.848.3162.

2024 AWARDS GALA SPONSORS

Special Thanks

ACI thanks the following organizations for their generous sponsorship and support of the 2024 ACI Excellence in Concrete Construction Awards.

2024 OVERALL JUDGES

Karla Benitez is the Executive Director at Instituto Salvadoreño del Cemento y del Concreto (ISCYC). She graduated from Albert Einstein University, Antiguo Cuscatlán, El Salvador, in 1998 with an architectural degree. In 2017, she received her MBA with a specialization in digital marketing from the European Open Business School (Rey Juan Carlos University, Madrid, Spain) with honors as the best student in the Latin America program.

Some of her early achievements include the design and construction of projects for TIGO corporate offices for an international construction company; receiving a scholarship from the Swedish International Development Cooperation Agency (SIDA) to study at the Faculty of Engineering and Architecture at Lund University, Lund, Sweden; specializing in social housing and urban development with a study visit to the Philippines in 2010 and later in 2014; and being awarded a scholarship from the Japan International Cooperation Agency (JICA) to study the earthquake-resistance approach for the Latin America region at the Building Research Institute of Japan (BRI) in Tsukuba, Japan.

She began at ISCYC as a Housing and Technical Advisor, where she introduced lightweight concrete as an alternative for social housing construction at Residencial Altavista, to a real-estate developer. She also created and developed four housing forums, which brought together financial institutions, professional associations, builders, and students of civil engineering and architecture. She held a variety of positions at ISCYC, where she was a key participant in their accreditation by the Salvadoran Institute for Professional Training (INSAFORP), an autonomous government entity, and achieved 90% coverage of awarded funds to develop and implement technical training programs for technicians and professionals in the construction field. She also created the first Sustainable Cities Forum, an annual event with Instituto Salvadoreño de la Construcción (ISC), raising funds for the operation of ISC, where ISCYC is a founding member.

Since joining Kohn Pedersen Fox Associates (KPF) in 2004, **Jonah Hansen** has managed projects of varied scales and programs throughout North America, China, and the Middle East, immersing himself in the entirety of the design process, leveraging his technical expertise to bridge aesthetic, functional, and programmatic requirements.

Hansen's iterative approach to project management embodies KPF's collaborative ethos as a client-oriented, full-service design practice. He is committed to providing a comprehensive spectrum of architectural expertise and client service throughout the design and construction process. As Project Manager for 10 South Van Ness Street, a residential project meeting the highest benchmarks of sustainability in San Francisco, CA, USA, Hansen ushered the project through a complicated and intensive approvals process with the city. Similarly, for Arthaus in Philadelphia, PA, USA, he worked closely with the client, design, and technical teams

for over 5 years to guide the project through multiple zoning and approvals boards, as well as tenant negotiations and design reviews, to ensure that the new building design was succinctly knit into the Avenue of the Arts district.

Looking toward the continued advancement of his profession and firm, Hansen sits on both the Peer Review Committee and Technical Directors Group at KPF, forging initiatives to uphold the highest benchmarks of document coordination, organization, and execution.

2024 OVERALL JUDGES

David Millar is the Chief Executive Officer of the Concrete Institute of Australia (CIA), an independent, not-for-profit professional association made up of members who share a common interest in staying at the forefront of concrete technology, research, design, and construction. Millar's 30 years in the construction industry as a civil engineer has revolved entirely around concrete, and since 2005 he has managed and been a Director for related industry and professional associations. He has been CEO of the CIA since 2014 and prior to that he was Executive Director of the industry association, Concrete Pipe Association of Australasia, for 10 years.

With a great appreciation of what industry and professional associations can provide to the concrete industry, Millar has always been a keen advocate for their role in society, from both a professional and community perspective. This includes the local affiliate concrete industry associations, sustainability forums and groups, and Standards Australia – the Australian association responsible for codes and standards. He also has a close affiliation with international groups such as ACI, the International Federation for Structural Concrete (*fib*), the International Union of Laboratories and Experts in Construction Materials, Systems and Structures (RILEM), Concrete New Zealand, and the Asian Concrete Federation.

In his time as CEO with the CIA, Millar has convened six major conferences for the Institute, including the *fib* International Congress held in Melbourne, Australia in 2018. He has held numerous positions on Standards committees and is currently an elected member of the Membership Committee and the CIA representative on the Australian standards BD90 Task Group 5 for Bridge Design – Concrete and BD10 Portland and Blended Cements. He has also been a judge on numerous concrete industry awards for excellence programs including the CIA and ACI.

MASTER OF CEREMONIES

William E. Rushing Jr. is a Senior Vice President and Manager of the Civil and Environmental Engineering Department and Manager of the Architectural Department at Waldemar S. Nelson & Co., Inc., New Orleans, LA, USA, where he has been employed for over 40 years. He served as ACI President 2014-2015 and is an Honorary Member of ACI. He received the ACI Chapter Activities Award (2003), ACI Henry L. Kennedy Award (2011), ACI Education Award (2018), and ACI Strategic Advancement Award (2021). He was inducted into the Louisiana State University (LSU) Civil and Environmental Engineering Hall of Distinction. He chaired the ACI Strategic Plan Task Group, the Task Group on Managing Translations of ACI Products and Services, and the ETC Product Development Committee. He is past Chair of the ACI Financial Advisory Committee and the ACI Chapter Activities Committee and current Chair of the ACI International Project Awards Committee; and a member of ACI Committees E702, Designing Concrete

Structures; S801, Student Competitions; 314, Simplified Design of Concrete Buildings; 351, Foundations for Equipment and Machinery; and 376, Concrete Structures for Refrigerated Liquefied Gas Containment, as well as ACI Subcommittees ACI 314-B, Preliminary Design and Economic Impact; 314-D, Design Aids; and 376-B, Materials. He also serves as a Trustee of the ACI Foundation and a Director of Advancing Organizational Excellence (AOE). In addition, he serves on Subcommittees 314-B, Preliminary Design and Economic Impact; 314-D, Design Aids; 351-D, Design Provisions for Heavy Industrial Concrete Structures Including Turbine Pedestals; and 376-B, Materials. A member of the ACI Louisiana Chapter, he previously served on the Chapter's Board of Direction and was its President in 1998. He received the ACI Louisiana Chapter Activity Award in 2004 and the Chapter Distinguished Member Award in 2010.

He received his BS in civil engineering from LSU, Baton Rouge, LA, USA, in 1981. He is a licensed professional engineer in Louisiana, Mississippi, Alabama, Arkansas, Georgia, New Mexico, Texas, and Arizona. He is also a member of the American Society of Civil Engineers (ASCE) and Structural Engineers Institute (SEI).

LOW-RISE STRUCTURES (UP TO 3 STORIES)

First Place

Casa Olalé San Agustinillo, Santa María Tonameca, Oaxaca, Mexico

Nominated by: ACI Southeast Mexico Chapter

Owners: Jean Paul & Dominique Rigaud

Architectural Firm: Jean Paul Rigaud & Arturo Gaytan-Covarrubias

Engineering Firm: Esteban Astudillo

General Contractor: Leonel Silva Mendez

Concrete Contractor: Leonel Silva Mendez

Concrete Supplier: Cemex, S.A.B. de C.V.

LOW-RISE STRUCTURES (UP TO 3 STORIES)

Second Place

Sports and Cultural Complex, Sangareddy, Telangana, India

Nominated by: Indian Concrete Institute (ICI)

Owner: Indian Institute of Technology Hyderabad

Architectural Firm: HCP Design, Planning and Management Pvt. Ltd.

General and Concrete Contractor: Larsen & Toubro Limited - Buildings & Factories

Concrete Supplier: Larsen & Toubro Limited - Buildings & Factories

LOW-RISE STRUCTURES (UP TO 3 STORIES)

Honorable Mention

F1 Grand Prix Pit Building, Las Vegas, NV, USA

Owner: Liberty Media Corporation / **Owner's Rep:** Miller Project Management, LLC

Architectural Firm: Klai Juba Wald Architecture + Interiors

Engineering Firm: John A. Martin & Associates, Inc. (JAMA)

General Contractor: The PENTA Building Group

Concrete Contractor: All 5's Construction

Concrete Supplier: Nevada Ready Mix

Other: CMC Rebar, Doka USA Ltd., Merli Concrete Pumping of Nevada, Inc.

2025 CALL FOR ENTRIES

Deadline: Tuesday, April 29, 2025

2025 ACI Excellence in Concrete Awards Gala

Monday, October 27, 2025 – The ACI Concrete Convention,
Hilton Baltimore & Marriott Baltimore Inner Harbor, Baltimore, MD, USA

Nominate your project today! Sponsorship opportunities available.

www.ACIExcellence.org

MID-RISE STRUCTURES (4-15 STORIES)

First Place

Cal Poly William and Linda Frost Center, San Luis Obispo, CA, USA

Nominated by: ACI Southern California Chapter

Owner: California Polytechnic State University (Cal Poly), San Luis Obispo

Architectural Firm: ZGF Architects LLP

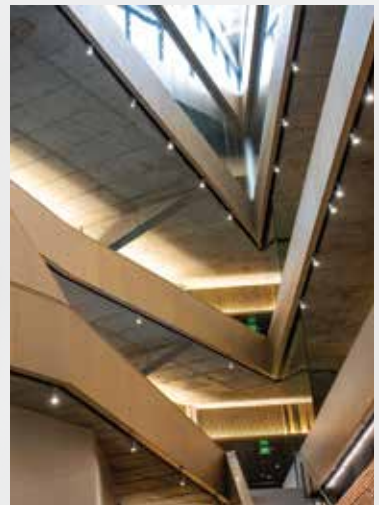

Engineering Firm: John A. Martin & Associates, Inc. (JAMA)

General Contractor: Gilbane, Inc.

Concrete Contractor: Largo Concrete, Inc.

Concrete Supplier: CalPortland

Other: San Mar Construction, Largo Concrete, Inc.

MID-RISE STRUCTURES (4-15 STORIES)

Second Place

Fred D. Thompson U.S. Courthouse and Federal Building, Nashville, TN, USA

Owner: U.S. General Services Administration (GSA)

Architectural Firm: Fentress Architects (Design/Build AOR)

Engineering Firm: Thornton Tomasetti

General Contractor: Hensel Phelps Construction Co.

Concrete Contractor: InfraStructure, LLC

Concrete Supplier: GATE Precast Company

Other: Precision Stone Setting Company, Heidelberg Materials, Michael Graves & Associates, Inc./TMPartners, PLLC

MID-RISE STRUCTURES (4-15 STORIES)

Honorable Mention

Hélène Desmarais Building Pavilion, HEC Montréal, Montréal, QC, Canada

Owner: HEC Montréal

Architectural Firm: Provencher Roy + Associés Architectes Inc. (Provencher_Roy)

Engineering Firm: SDK et associés inc.

General Contractor: Magil Construction

Concrete and Concrete Contractor: Demix Béton (CRH Canada)

Other: WSP Canada Inc.

HIGH-RISE STRUCTURES (OVER 15 STORIES)

First Place

Kō‘ula, Honolulu, HI, USA

Owner: Ward Village/Howard Hughes

Architectural Firm: Studio Gang

Engineering Firm: BASE

General and Concrete Contractor: Hawaiian Dredging Construction Company, Inc.

Concrete Supplier: HC&D LLC

HIGH-RISE STRUCTURES (OVER 15 STORIES)

Second Place

Piramal Aranya - Arav Tower, Byculla East, Mumbai, Maharashtra, India

Nominated by: ACI India Chapter

Owner: Glider Buildcon Realtors Private Limited

Architectural Firm: Sandeep Shikre & Associates (SSA Architects)

Engineering Firm: Buro Happold

General and Concrete Contractor: Larsen & Toubro Limited

Concrete Supplier: Larsen & Toubro Limited

Other: Innovator Facades Systems Limited

BRIDGES

First Place

105 m Span Ultra-High-Performance Concrete (UHPC) Composite Bridge, Kuala Langat District, Selangor, Malaysia

Nominated by: ACI Malaysia Chapter

Owner: Bonus Essential Sdn. Bhd.

Engineering Firm: VED Engineers Sdn. Bhd.

General Contractor: Dura Construction Sdn. Bhd.

Concrete Contractor and Supplier: DURA Technology Sdn. Bhd.

BRIDGES

Second Place

Mumbai Trans Harbour Link (MTHL) Package 1, Mumbai, Maharashtra, India

Nominated by: ACI India Chapter

Owner: Mumbai Metropolitan Region Development Authority (MMRDA)

General and Concrete Contractor: L&T Construction

Concrete Supplier: L&T Construction

DECORATIVE CONCRETE

First Place

Archives Départementales de l'Isère, Saint-Martin-d'Hères, Isère, France

Nominated by: ACI Paris Chapter

Owner: Département de l'Isère

Architectural Firm: Arche 5 CR&ON, D3 architectes

Engineering Firm: Artelia

General and Concrete Contractor: Cuynat Construction

Concrete Supplier: Vicat

Other: Solétanche Bachy, Studio Erick Saillet

DECORATIVE CONCRETE

Second Place

SB Residence, Scottsdale, AZ, USA

Architectural Firm: Tate Studio Architects

Engineering Firm: VerteX Consulting Structural Engineers

General Contractor: Build, Inc. Design + Build

Concrete Contractor: Sullivan Builders

FLATWORK

First Place

West Edge, Los Angeles, CA, USA

Nominated by: ACI Southern California Chapter

Owner: Hines

Architectural Firm: Gensler

Engineering Firm: Labib Funk + Associates

General Contractor: W.E. O'Neil Construction

Concrete Contractor: Trademark Concrete Systems, Inc.

Concrete Supplier: Catalina Pacific Concrete

Other: Trademark Concrete Systems, Inc., and Rios Clementi Hale Studios

FLATWORK

Second Place

Polar Satellite Launch Vehicle (PSLV) Integration Facilities, Sriharikota, Andhra Pradesh, India

Nominated by: ACI India Chapter

Owner: Government of India, Department of Space, Indian Space Research Organisation (ISRO)

Architectural Firm: Vista Architectural Solutions

Engineering Firm: Tata Consulting Engineers Limited, Chennai

General and Concrete Contractor: Shapoorji Pallonji and Company Private Limited

Concrete Supplier: Shapoorji Pallonji and Company Private Limited

INFRASTRUCTURE

First Place

Mumbai Coastal Road, Mumbai, Maharashtra, India

Nominated by: ACI India Chapter

Owner: Brihanmumbai Municipal Corporation (BMC)

Engineering Firm: Larsen & Toubro Limited

General and Concrete Contractor: Larsen & Toubro Limited

INFRASTRUCTURE

Second Place

Réseau Express Métropolitain, Montréal, QC, Canada

Nominated by: ACI Québec and Eastern Ontario Chapter

Owner: CDPQ Infra

Architectural Firm: Provencher Roy + Associés Architectes Inc. (Provencher_Roy)

Engineering Firm: AECOM/AtkinsRéalis

General Contractor: NouvLR

Concrete Supplier: Unibéton, Béton Provincial Ltée

Other: Béton Préfabriqué du Lac (BPDL) Inc., Lemay, Solmatech, Rizzani de Eccher S.p.A.

REPAIR & RESTORATION

First Place

TSX Broadway – Palace Theater, New York City, NY, USA

Nominated by: ACI Concrete Industry Board of New York City Chapter

Owner: L&L Holding Company

Architectural Firms: Mancini Duffy, PBDW Architects (Platt Byard Dovell White Architects LLP) (preservation)

Engineering Firm: Severud Associates Consulting Engineers P.C.

General Contractor: Pavarini McGovern, LLC (Construction Manager)

Concrete Contractor: Sorbara Construction Corp. (Superstructure)

Concrete Supplier: Tec-Crete Transit-Mix Corp.

Other: Urban Foundation/Engineering, LLC; Perkins Eastman; Cosentini Associates; Langan Engineering and Environmental Services

REPAIR & RESTORATION

Second Place

One Wall Street, New York City, NY, USA

Owner: Macklowe Properties

Architectural Firm: SLCE Architects

Engineering Firm: DeSimone Consulting Engineering

General Contractor: J.T. Magen & Company Inc.

Concrete Contractor: Broad Construction

Concrete Supplier: U.S. Concrete, Inc. New York

Other: Broad Construction, Domani Inspection Services, Martin Marietta Materials, Inc.

LOW-RISE STRUCTURES

Goldfinch Residence, San Diego, CA, USA

Owner: Ty Creamer
Architectural Firm: Matthew Segal
Engineering Firm: DCI Engineers
Concrete Supplier: Superior Ready Mix Concrete L.P.
Other: Geotechnical Exploration, Inc.

Inatsuki-Higashi Compulsory Education School, Kama City, Fukuoka, Kyushu, Japan

Nominated by: Japan Concrete Institute (JCI)
Owner: Kama City
Architectural and Engineering Firms: Kume Sekkei Co., Ltd.
General Contractor: Konoike Construction Co., Ltd.
Concrete Supplier: Iizuka Ready-Mixed Concrete Cooperative
Other: Hirashima Co., Ltd.; Koumoto-Gumi Corporation; Nojima MFG; Woody Farm Co., Ltd.

J.VAZ.CO. General Headquarters, Quezon City, Metro Manila, Philippines

Nominated by: ACI Philippines Chapter
Owner: J.VAZ.CO. Inc.
Architectural Firm: Jagnus Design Studio
Engineering Firm: Rockwide Construction & Development Corporation (RCDC)
General Contractor: J.VAZ.CO. Inc.
Concrete Supplier: Summit Sigma Ready Mix Concrete Corporation

Mountainside Secondary School Seismic and Building Envelope Upgrade, North Vancouver, BC, Canada

Owner: Board of Education of School District No. 44 (North Vancouver)
Architectural Firm: Iredale Architecture
Engineering Firm: WSP Canada Inc.
General Contractor: Unitech Construction Management Ltd.
Concrete Contractor: Dorosh Construction Ltd.
Concrete Supplier: Lafarge Canada Inc.
Other: PWL Partnership Landscape Architects Inc., Introba, Ausenco Engineering Canada Inc.

Mt. San Antonio College Student Center, Walnut, CA, USA

Nominated by: ACI Southern California Chapter
Owner: Mt. San Antonio College
Architectural Firm: HPI Architecture
Engineering Firm: MHP Structural Engineers
General Contractor: Tilden-Coil Constructors, Inc.
Concrete Contractor: The Conco Companies
Concrete Supplier: Cemex, S.A.B. de C.V.
Other: The Conco Companies

2024 PROJECT SUBMISSIONS

Project Heat, Chicago, IL, USA

Nominated by: ACI Illinois Chapter
Owner: Logistics Property Company, LLC
Architectural Firm: Ware Malcomb
Engineering Firms: DCI Engineers, V3 Companies
General and Concrete Contractor: Walsh Construction
Concrete Supplier: Prairie Materials

Kansas City Proton Institute, Overland Park, KS, USA

Nominated by: ACI Kansas Chapter
Owner: Kansas City Urology Care, PA (KCUC) Proton Therapy
Architectural Firm: Hoefer Welker
General Contractors: McCarthy Building Companies, Inc./Linbeck Group, LLC
Concrete Contractor: McCarthy Building Companies, Inc.
Concrete Supplier: Fordyce Concrete Company, Inc.

Residential Housing Miralto, Cuenca, Azuay, Ecuador

Nominated by: ACI Central & Southern Ecuador Chapter
Owner: Guillermo Sebastian Velez Guayasamin
Architectural Firms: MAVG, MA estudio
Engineering Firms: SV Construcciones, P+P Arquitectura

Seattle Storm Center for Basketball Performance, Seattle, WA, USA

Nominated by: ACI Washington Chapter
Owner: Force 10 Sports Management
Architectural Firm: ZGF Architects LLP, Shive-Hattery (design)
Engineering Firm: Holmes Structures
General and Concrete Contractor: Sellen Construction
Concrete Supplier: Stoneway Concrete

Sobela Ocean Aquarium at the Kansas City Zoo & Aquarium, Kansas City, MO, USA

Nominated by: ACI Missouri Chapter
Owner: Kansas City Zoo & Aquarium
Architectural Firm: EHDD
Engineering Firm: Patrell Engineering Group, Inc.
General and Concrete Contractor: J.E. Dunn Construction Company
Concrete Supplier: Geiger Ready-Mix Company, Inc.
Other: Cemrock Landscapes, Inc.; Fordyce Concrete Company, Inc.

Training and Fleet Dispatch Center, Austell, GA, USA

Nominated by: ACI Georgia Chapter
Owner: Martin Concrete Construction, Inc.
Architectural Firm: Atlas Collaborative, LLC
Engineering Firm: Haines, Gipson & Associates, Inc.
General Contractor: Martin Concrete Construction, Inc.
Concrete Supplier: Walker Concrete

Ritsumeikan Asia Pacific University (APU) AP House 5, Beppu, Ōita, Kyushu, Japan

Nominated by: Japan Concrete Institute (JCI)
Owner: The Ritsumeikan Trust
Architectural and Engineering Firm: Takenaka Corporation
General Contractor: Takenaka Corporation
Concrete Contractor: Morita Kensetsu Co., Ltd.
Concrete Supplier: Daiwa Corporation
Other: Takenaka Corporation Research and Development Institute

2024 PROJECT SUBMISSIONS

PT Salam Pacific Indonesia Lines (SPIL) eCommerce Hub, Indonesia

Nominated by: ACI Western Indonesia Chapter
Owner: PT Salam Pacific Indonesia Lines (SPIL)
Architectural and Engineering Firms: PT. Gistama Intisemesta
General Contractor: PT Total Persada Indonesia
Concrete Contractor: PT Zacklim Superflat Indonesia
Concrete Supplier: PT Adhimix RMC Indonesia

Rob and Melani Walton Center for Planetary Health, Tempe, AZ, USA

Nominated by: ACI Arizona Chapter
Owner: Arizona State University
Architectural Firm: Architekton
Engineering Firm: Buro Happold Limited
General and Concrete Contractor: McCarthy Building Companies, Inc.
Concrete Supplier: Martin Marietta Materials, Inc.
Other: GCP Applied Technologies, Arizona Materials LLC (AZ Materials), Grimshaw Architects

Washington University Ambulatory Cancer Building, St. Louis, MO, USA

Nominated by: ACI Missouri Chapter
Owner: Washington University School of Medicine in St. Louis
Architectural Firm: The Lawrence Group
Engineering Firm: KPFF Consulting Engineers
General Contractor: Clayco
Concrete Contractor: Concrete Strategies, LLC
Concrete Supplier: Kienstra Co.

HIGH-RISE STRUCTURES

1000M, Chicago, IL, USA

Nominated by: ACI Illinois Chapter
Owner: 1000 S. Michigan Equity, LLC
Architectural Firm: Jahn Studio
Engineering Firm: Magnusson Klemencic Associates
General Contractor: James McHugh Construction Co.
Concrete Contractor: McHugh Concrete Construction, Inc.
Concrete Supplier: Ozinga Ready Mix Concrete, Inc.
Other: MJ2 Consulting, PLLC

1900 Broadway, Oakland, CA, USA

Nominated by: ACI Washington Chapter
Owner: Behring Co.
Architectural Firm: Solomon Cordwell Buenz (SCB)
Engineering Firm: Cary Kopczynski & Company, Inc. (CKC)
General Contractor: Suffolk Construction Company, Inc.
Concrete Contractor: Pacific Structures, Inc.
Concrete Supplier: Central Concrete Supply Co., Inc.
