ACI President's Welcome

ACI Members and Guests:

On behalf of myself and ACI, it is a pleasure to welcome you to Rosemont/Chicago, IL, USA, and the ACI Concrete Convention.

The ACI Convention provides the industry with a professional environment where individuals from across the globe come together to share new ideas and discover innovative ways to use concrete. The ACI Convention offers educational opportunities for personal growth, committee opportunities for technical advancement, and networking opportunities for professional enrichment. The opportunities are numerous, with over 350 committee meetings; over 50 technical sessions; an exciting student competition; and numerous networking events, culminating with the Concrete Mixer on Tuesday night. In addition, the industry exposition showcases the products and services of more than 50 companies from around the world! I urge you to make the most of your time here and attend these events.

Please join me in thanking our outstanding sponsors and exhibitors. None of this would be possible without them. Anyone who is wearing an ACI Convention sponsor or exhibitor ribbon has played an integral role in the success of this ACI Convention. Please be sure to thank them while at the ACI Convention and stop by their booths to see the newest products and services on the market today.

I am honored and excited to share this week with you, and I hope you enjoy all that Rosemont/Chicago has to offer. Thank you for attending the ACI Convention and for your continued involvement in ACI.

Kind regards,

Maria Juenger, ACI President

General Information

For detailed program information and program changes, download the Convention app.

ACI Event Platform & Mobile App

ACI is using Guidebook, a mobile app and event platform, for the ACI Convention. Attendees can access on-demand content, create a personal schedule, get the latest program information, and more. You must be a registered ACI Convention attendee to access the Guidebook platform.

Schedule Changes

Cancellations, additions, and location changes to the ACI Convention schedule will be made in the ACI Convention app.

Exhibit Hall Refreshments

Beverages are available courtesy of ACI during the following hours:

Saturday	Refreshments	2:00 pm – 6:00 pm
Sunday – Tuesday	Refreshments	1:00 pm – 4:00 pm
Sunday – Wednesday	Coffee	7:00 am – 10:00 am

ACI Resource Area

Looking to learn more about ACI's resources? Visit the ACI Resource Area in the Exhibit Hall and learn more about the ACI Excellence in Concrete Construction Awards, ACI Young Members, ACI Marketing, and the ACI Resource Centers.

ACI Excellence in Concrete Construction Awards

Learn more about the ACI Excellence in Concrete Construction Awards, which take place during every fall ACI Convention, and how to co-brand your organization or nominate your project.

ACI Young Members

If you're 35 or younger, stop by to explore opportunities to join technical committees, volunteer in impactful roles, and supercharge your career development by connecting with your peers. Discover our exciting young member programs such as the Emerging Leaders Conference, sign up to co-host a podcast episode, or enroll in our brand-new mentorship program. Don't miss this chance to grow, lead, and leave your mark. Let's engineer greatness together—visit us today!

ACI Marketing

Visit the ACI Marketing area to discover the full range of what ACI offers and learn how to get involved. Staff will provide general information, answer questions, and connect you to the right programs and resources.

ACI Resource Centers

ACI Resource Centers provide on-demand regional access to all ACI offerings for inspectors, contractors, designers, technicians, product manufacturers, and engineers. With locations in Southern California, Chicago/Midwest, and the Mid-Atlantic region, we are bringing ACI to you. Offering training for new-hire onboarding, custom in-house training programs, access to all ACI Certification programs, and education programs on popular industry topics, ACI Resource Centers can prepare you for success.

ACI Attendee Lounge and Meeting Spot

Stop by the ACI Attendee Lounge and Meeting Spot—the perfect place to recharge and stay connected with work and family or network with ACI attendees during refreshment breaks. Take a break, power up your devices at convenient charging stations, and relax in comfortable, soft seating while staying connected to work or home from your own laptop, tablet, or phone.

Hours: Monday – Sunday: 5:00 am – 11:00 pm

Please visit the Hyatt Regency O'Hare Chicago hotel website to view additional restaurant information.

Suitcasing

Attendees or sponsors found to be “suitcasing” (soliciting business in session and committee meeting rooms, aisles, or the booth of another sponsoring exhibitor) will be asked by staff to cease this practice. Should this continue, they will be asked to leave the show floor immediately and will forfeit any sponsor points earned for that show.

Anti-Harassment Policy

It is the policy of the American Concrete Institute (ACI) that all participants in ACI and its subsidiaries' activities and events will enjoy an environment free from all forms of harassment and retaliation. Harassment, sexual or otherwise, is a form of misconduct that undermines the integrity of ACI activities and events, and violators of this policy will be subject to discipline. To view ACI's Anti-Harassment policy in its entirety, please visit: <https://www.concrete.org/newsandevents/policy.aspx>.

General Information

For detailed program information and program changes, download the Convention app.

Continuing Education

ACI is a continuing education provider for the American Institute of Architects (AIA) and the International Code Council (ICC).

All sessions approved by AIA or ICC are noted with AIA and ICC logos and the number of hours.

Earn CEUs/PDHs for Session Attendance

Attend the entire duration of a live session and record the codes given out during the session using the spaces provided at the end of the program book (Session PDH Tracker). In most cases, one contact hour is equal to one Professional Development Hour (PDH). Check with your state Board for acceptance criteria. **Please note: ACI does not track and cannot provide documentation confirming attendee participation or attendance at any ACI session held during the ACI Convention.** On-demand recordings of sessions are not eligible for Continuing Education Units (CEUs).

For attendance certificates:

1. Visit www.concrete.org and sign in.
2. Hover over **My ACI** and click on **My ACI CEU/PDH**.
3. Select the convention, day, and title of the session for which you are submitting session codes.
4. After successfully submitting the session codes, your certificate will be available under the session title.

Speaker Ready Room—Grand Boardroom

The Speaker Ready Room is available to moderators, speakers, and committee Chairs during the following hours:

Saturday	2:00 pm – 6:00 pm
Sunday – Tuesday	7:00 am – 6:00 pm
Wednesday	7:00 am – 11:00 am

All speakers are requested to check in at the Speaker Ready Room 1 day prior to their session to ensure that their presentations have been uploaded and work properly on the ACI computers.

Please note: Speakers participating in a Mini Session cannot check their presentation into the Speaker Ready Room—they must bring their presentation with them to the Mini Session.

Guest-Only Events

Please note that the following guest events are for registered guests only. To be a registered guest, a guest registration must accompany an attendee registration.

Guest Hospitality—Red Bar & Lounge

Sunday – Wednesday, 7:00 am – 10:00 am
Coffee, tea, and breakfast items will be available for guests each morning (Sunday – Wednesday). You must be a registered guest to attend.

Guest Lounge—Red Bar & Lounge

Sunday – Wednesday, 10:00 am – 4:00 pm

Become a Peer Reviewer for ACI Journals

Peer reviewers help ensure the quality, accuracy, and impact of published concrete research. Your expertise directly supports advancement in the field.

Why Review?

- Shape research that informs codes and practice
- Stay current with new findings and technologies
- Strengthen your professional credentials
- Connect with editors, authors, and industry experts

Areas of Expertise We Seek

- Structural analysis, design, and performance
- Concrete materials, durability, and behavior
- Repair, rehabilitation, and strengthening
- High-performance, sustainable, and low-carbon concrete
- Structural resilience and durability-related performance
- Alternative and non-metallic reinforcement
- Fiber-reinforced concrete
- UHPC and emerging materials
- Performance-based design
- Seismic design and retrofit
- Fire resistance of concrete and masonry
- Testing, evaluation, and condition assessment
- Nondestructive testing and sensing technologies
- Digital tools, modeling, and artificial intelligence

Reviewer Expectations

Technical expertise • Clear, constructive feedback
Timely reviews • Professionalism & confidentiality

How to Join

1. Create an account at mc.manuscriptcentral.com/aci
2. Select your areas of expertise
3. Email journal.manuscripts@concrete.org to request reviewer status

8:30 am – 9:30 am—Mini Session	
Soil-Cement Solutions: Research, Construction, and Long-Term Performance	Florence
8:30 am – 10:30 am—Sessions	
Determining Appropriate Test Sample Sizes for Concrete Repair Projects	DFW
AI and ML Applications in Reconnaissance and Inspection	LAX
Reinforcing Steel Day Session, Part 1 of 2	Grand F
From Laboratory Innovation to Field Implementation of Natural Pozzolans, Part 1 of 2	Grand G
8:30 am – 12:00 pm	
Mobile Concrete Technology Center (MCTC)	Z Parking Lot
8:45 am – 11:45 am	
√Technical Tour of WJE's Janney Technical Center	Janney Technical Center (JTC)
10:00 am – 11:00 am—Mini Session	
Seismic Research Presentations by Younger Members	International F
10:00 am – 4:00 pm	
★Guest Lounge	Red Bar & Lounge
11:00 am – 12:00 pm—Mini Sessions	
Better with Time – The Evolution of RCC Pavements	Midway
Impact of Aggregates on the Long-Term Performance of Concrete	Florence
11:00 am – 1:00 pm—Sessions	
Dual-Banded Post-Tensioning Tendons Layout for Two-Way Building Slabs	DFW
The Updated ACI PRC-304—How We Help the Challenges of Modern Concrete Production	LAX
Regional Mandatory Building Assessments: Impacts, Implementation, and Industry Lessons	Grand F
From Laboratory Innovation to Field Implementation of Natural Pozzolans, Part 2 of 2	Grand G

Daily Program

✓= Separate fee required ★ = Guest-only event

11:00 am – 2:00 pm	
ACI Lunch Concessions	Grand Ballroom
11:30 am – 1:30 pm	
✓Reinforcing Steel Day Lunch	O'Hare Ballroom
11:30 am – 1:30 pm	
Young Member Poster Session	Grand Ballroom Foyer
1:00 pm – 2:00 pm—Mini Session	
Erasing the Misconceptions of Structural Lightweight Concrete	Florence
1:00 pm – 4:00 pm	
Afternoon Refreshment Break	Grand Ballroom
1:30 pm – 2:00 pm	
Refreshments at Meeting Spot for first-time attendees	Grand Ballroom
1:30 pm – 3:30 pm—Sessions	
Reducing the Environmental Impact of Concrete through Innovative Materials	DFW
BIM for Concrete Buildings, Bridges and Post-Tensioned Concrete	LAX
Reinforcing Steel Day Session, Part 2 of 2	Grand F
Open Topic Session, Part 1 of 2	Grand G
3:00 pm – 4:00 pm—Mini Session	
Constructability Success Stories of Fiber-Reinforced Concrete	Rosemont A
4:00 pm – 5:00 pm—Mini Sessions	
Navigating the Promotion Process: Guidance for Concrete Faculty	Ronald Reagan
4:00 pm – 6:00 pm—Sessions	
Honoring Legacy to Carl Walker	DFW
Plastic Properties in Low-Clinker Concrete and Risk of Early-Age Cracking	LAX
Not Just Another Day at the Office: Important Considerations in Testing and Specifying Alternative Cements	Grand F
Open Topic Session, Part 2 of 2	Grand G
5:00 pm – 6:00 pm	
Faculty Network Reception	Entry Level Foyer
6:30 pm – 9:30 pm	
Concrete Mixer	Joe's Live & Bub City*

Wednesday, April 1, 2026	
7:00 am – 10:00 am	
★Guest Hospitality	Red Bar & Lounge
Coffee Break	Grand Ballroom
7:00 am – 11:00 am	
Speaker Ready Room	Grand Boardroom
8:00 am – 11:00 am	
ACI Registration	Grand Ballroom
8:00 am – 2:00 pm	
ACI Attendee Lounge & Meeting Spot	Grand Ballroom
8:00 am – 6:00 pm	
Committee Meetings	See numeric or ACI Convention app for detailed list
8:30 am – 10:30 am—Sessions	
ACI Collaboration to Enhance Bridge Engineering	LAX
High-Rise Constructability	DFW
Slag Cement in Sustainable Concrete Awards	Grand F
Use of Finite Element Modeling in Practice and Research, Part 1 of 2	Grand G
9:00 am – 12:00 pm	
NEx Workshop: Application and Challenges for Concrete with Saline Water, Dredged or Dune Sand	O'Hare Ballroom
10:00 am – 4:00 pm	
★Guest Lounge	Red Bar & Lounge
11:00 am – 1:00 pm—Sessions	
Constructability and Quality Assurance in Tilt-Up Concrete	Grand F
Use of Finite Element Modeling in Practice and Research, Part 2 of 2	Grand G
1:00 pm – 5:00 pm	
Board of Direction	Grand H
2:00 pm – 5:00 pm	
NEx Workshop: Effect of Nonmetallic Building Materials on the Sustainability of Concrete Structures	O'Hare Ballroom
6:30 pm – 8:00 pm	
President's Reception	Grand A-C

*Bus transportation for the Concrete Mixer will depart the Hyatt from the Grand Ballroom entrance beginning at 6:00 pm. The last bus will depart Bub's City and Joe's Live at 10:00 pm

BRAND- BUILDING Promotional Opportunities Through ACI

Increase your company's visibility by reaching thousands of qualified decision-makers. ACI offers print, electronic, and other opportunities to help your business build its brand awareness and better market its products and services.

For more information on how to increase your company's visibility, contact Kim Spillane at Kim.Spillane@concrete.org, or call +1.248.848.3197

www.concrete.org

ACI SUSTAINING MEMBERSHIP

Show true dedication to advancing concrete knowledge through ACI's highest level of membership: Sustaining Membership. Enhance your company's exposure to ACI members and customers while improving access to current concrete construction technology and information.

THE ACI CONCRETE CONVENTION

Sponsor or exhibit at ACI's biannual conventions and reach approximately 2000 industry experts. Your business will be in front of industry professionals from across the country and around the world. Establish and build communication with your target market, as well as showcase products and services to industry professionals.

CONCRETE INTERNATIONAL MAGAZINE (CI)

CI is where ACI members go every month for the most trusted concrete news and technical information. Customers are key decision-makers deeply involved in concrete construction, engineering, testing, and design. Ads appear in both printed and digital versions of the magazine. Digital alert and landing page options are also available.

SPONSOR ACI ONLINE EDUCATION PRESENTATIONS

ACI's free online education presentations web page features over 500 presentations delivered by industry experts at ACI events, with new presentations added weekly. Align your brand with these industry-leading presentations by becoming a sponsor (limited to no more than six sponsors), and gain exposure for a full 12 months.
