Convention Agreement

The following is a good faith agreement between the American Concrete Institute and the ________________ Chapter [herein referred to as the CHAPTER] to host the ____________________ Convention. By signature of this agreement, the CHAPTER agrees to the following:

Social Events
Plan and pay for the Opening Reception including the menu selection, function set-up, and payment for menu items, bartender fees and gratuities. Note: The Opening Reception is held at the headquarters hotel. The Opening Reception is a cash bar event.

Plan and pay for the Concrete Mixer including the site selection, menu selection, determine the function set-up (tables, chairs, bars, food stations, service staff), arrangement of security (as required by venue), obtain the proper insurance certificates required by the venue, order electricity, audio visual equipment (as needed), and transportation to/from the venue (as needed). Please note: Space for the Concrete Mixer is contracted at the headquarter hotel, unless otherwise noted.

Guest Program (optional)
Organize and offer at least one guest tour each day of the convention (Sunday through Wednesday). Arrange for transportation to and from guest tours as required.

Student Program
If necessary, arrange for the testing equipment for the competitions. Arrange for judges at the competitions. Obtain a speaker for the Student Lunch. Pay the cost of the lunch for each student registered to attend the Student Lunch.

Contractor’s Day
Organize up to two sessions directed toward contractor activities/interests. Obtain a speaker for the Contractor’s Day Lunch.

Publicity
Promote the convention in the local area. Pay for promotion efforts such as stationery, postage, ads, direct mail, bags, giveaways (i.e. lapel pins), website development, etc. Host an information table at the convention prior to and during your convention.

Fundraising
Raise the necessary funds to sponsor the Opening Session, Concrete Mixer, lunch for students and any other costs (transportation, publicity, etc.) required. Raise the necessary funds to sponsor additional activities/events that the chapter is not obligated to, but wishes to sponsor for the convention.

Technical Session (Optional)
Organize one session including the speakers, moderators, and topics and will obtain the necessary approvals from TAC and/or EAC to move forward with the session.

Miscellaneous
If the Chapter is unable to fund the activities/events as stated above, the Chapter agrees to notify the Director of Event Services prior to the convention. In addition, the Chapter agrees to negotiate a payment schedule with the American Concrete Institute which is agreeable to both parties.

Signature of this good faith agreement will outlast changes in Chapter Officers, Convention Committee members and American Concrete Institute staff.

Signed:

The American Concrete Institute is: authoritative, reputable, inclusive, and connected globally.
Use complete name, followed by ACI in parenthesis, on first reference in all communications documents:

**American Concrete Institute (ACI)**

On second reference use of our acronym is acceptable:

**ACI**
For brand building, unity, and consistency throughout our organization and membership, chapter names should lead with our organization's full name followed by an en dash and the chapter name:

Georgia Chapter – American Concrete Institute
China Chapter – American Concrete Institute

On second reference use of our acronym is acceptable:

Georgia Chapter – ACI
China Chapter – ACI

When referring to ACI collectively, use the language:

ACI and its chapters...
The logo is comprised of the initialization aci and a symbolic graphic of the world.

The logo may be used when American Concrete Institute appears elsewhere in communications or when the audience is familiar with the American Concrete Institute.
The ACI brandmark is comprised of the ACI logo and logotype.

The ACI logo and logotype can be presented as a single unit, or separately within a single point of communications. For examples, see the Applications section.
There are four configurations of the ACI brandmark: horizontal, centered, flush-left and flush-right.
The ACI brandmark should appear in the multi-color version wherever possible. However, it can also appear in 1 color, 2 colors, grey scale, and black and white as well as reversed out of a dark background (multi-color on dark blue or white on black).
The ACI brandmark should be used on a white or light colored background that allows sufficient contrast.

The brandmark may be used over a photo if the area is not busy and the brandmark is clear and readable.

Use reversed (white lettering) logo on dark blue, black, or very dark background.
The ACI brandmark should be used on a white or light colored background that allows sufficient contrast.

The brandmark may be used over a photo if the area is not busy and the brandmark is clear and readable.

Use reversed (white lettering) logo on dark blue, black, or very dark background.
The ACI tagline is: Always advancing™

Additional words, variations or punctuation should not be used. Our tagline is direct and meaningful to our audience and members. It is styled to suit a range of applications and environments, from educational presentations to promotional uses such as pens and hard hats.

The tagline should only be used as a tagline, not as a campaign theme or headline in advertisements or promotions.
The tagline can be used with the various ACI brandmark configurations.

The ACI logo, logotype, and tagline can be presented as a single unit, or separately within a single point of communications. For examples, see the Applications section.
Brandmarks have been created for the sub-brands Certification and eLearning.
The color palette is made of bright, energetic hues for a contemporary and dynamic next step in the evolution of the ACI identity. Introducing this new expanded color palette allows us to reflect ACI’s energy, global reach and range of members’ areas of specializations.
The color palette is formulated for the ACI Web site. Color values are defined in HTML.

Two font families are suggested for use with ACI communications: Proxima Nova and Droid Serif. Both fonts are available in a variety of weights.

Proxima Nova is the primary font that should be used on the majority of communications materials. It is a sans-serif font with a modern, timeless appearance. Use Proxima Nova for headlines, subheads and intro body copy.

The secondary font is Droid Serif. It is a serif typeface that complements Proxima Nova. Its serifs and larger letterforms allow for good readability for body copy. Droid Serif can be used for text in body copy. Italic and bold fonts should be used in body copy to place emphasis on selected text.

Business correspondence and select electronic communications are not restricted to these font selections.
Our organization is about more than concrete—it is about people, education, collaboration and advancements. Therefore, our style of imagery and photography should reflect our brand personality through images of high quality concrete results, people, teamwork and collaboration, and progress.

Booth Assignments
ACI uses a point system to allocate exhibit space. Exhibitors earn points at each convention in which they participate. Points are awarded per show. Points are retroactive from the previous six conventions. The point system scale is listed below:

- 10 x 10 ft exhibit space—one point per show
- 10 x 20 ft exhibit space—two points per show
- Sponsorship that includes a booth—two points per show

Points will only be given to exhibitors who comply with ACI's Exhibitor Guidelines. Failure to comply will result in the loss of points. The point system does not preclude the exhibitor from requesting their top five locations.

ACI Show Management reserves the right to make changes to the floor plan in the event of a potential hazard or to increase traffic flow in the exhibit area.

Should you have any questions regarding the point system, booth assignments, or the exhibitor guidelines, please contact Elizabeth Zimmerman at +1.248.848.3186 or elizabeth.zimmerman@concrete.org.

Booth Construction
Exhibit materials may not extend past the allotted 10 x 10 ft area. Signage and set up should allow line of sight to other exhibitors. Show management has the right to make you take down or remove anything that may block the view of other booths.

 Forced Freight
Materials not packed and picked up by the end of the designated move-out time will be considered forced freight. The general service contractor will assume responsibility for forwarding that freight to the exhibitor. Exhibitors will be responsible for the costs to break down, package, and ship that freight.

Manning Your Exhibit Booth
ACI only requires that materials be readily available to be picked up by attendees during the show hours. ACI does NOT require that exhibitors be in their booth at all times.

Exhibitor Move-in
If you foresee a problem with moving in during the designated move-in hours, please call Elizabeth Zimmerman at +1.248.848.3186 to make alternate arrangements. Please note: if you need assistance from the service contractor at alternate times, you will incur charges. Exhibitors who have not made prior arrangements and have not set up at the end of move-in may not be permitted to set up their booth.

Exhibitor Move-Out
Please do not break down before the end of the show hours. ACI schedules labor based on the show closing time. No adjustments to the scheduled labor, delivery of storage materials, and acceptance of bills of lading will be made for an exhibitor that breaks down prior to show closing. Exhibitors who break down before the end of the show will forfeit their points earned for that show.

Storage
Combustible materials such as crates and boxes are limited to a 1-DAY SUPPLY on the exhibit floor. Storage of combustible materials behind booths is prohibited. The fire marshal will inspect prior to the show opening. Exhibitors must remove any items that the fire marshal deems a fire hazard. Failure to do so will result in delaying the opening of the show and you may be removed from the exhibit floor.

Sales on Exhibit Floor
Exhibitors may sell or take orders for any concrete-related product only in their booth. Only the ACI Bookstore may sell publications/documents. Any exhibitor or sponsor found to be selling publications/documents on the show floor or unrelated product to the concrete industry will be given a verbal warning for the first offense, written warning for the second offense, and immediately requested by staff to leave the show floor on the third offense.

Security
The American Concrete Institute provides overnight security only. Exhibitors should remove from their booth all items of value that can be easily taken at the end of each day. The American Concrete Institute and the Hotel are not responsible for lost or stolen items.

Cancellation
An administrative fee of 50% of the pledged amount will be charged for any cancellation occurring more than 60 days prior to the convention start date. Cancellations received less than 60 days before will not receive a refund. If ACI cancels the convention due to circumstances beyond their reasonable control, ACI shall refund to each exhibitor its exhibit space rental payment previously paid, minus a share of costs and expenses incurred. Circumstances include Acts of God such as war; government regulations; civil disorders; transportation disruption; work stoppage; terrorist act within 250 miles of destination; disaster including fire, flood, tornado, and hurricane; and entire or partial destruction of the venue.

Indemnification
The Exhibitor/Sponsor assumes all responsibility for all loss, theft, and/or damage to exhibitor's displays, equipment, and other property while on Hotel premises, and hereby waives any and all claims and/or demands it may have against ACI and Hotel, its parent and/or any of its affiliate companies arising from such loss, theft, and/or damage. In addition, the Exhibitor/Sponsor agrees to defend indemnify and hold harmless ACI and Hotel and their respective parent, subsidiary, and other related and affiliated companies from and against any and all liabilities, obligations, claims, damages, suits, costs, and expenses, including, without limitation, attorneys' fees, costs of court, and costs of other professionals, arising from directly and/or indirectly and/or in connection with the Exhibitor/Sponsor's occupancy and/or use of the exhibition premises and/or any part thereof and/or any act, error, and/or omission of the exhibitor and/or its employees, subcontractors, and/or agents. The provisions of indemnity herein shall survive, indefinitely, the expiration or earlier termination of this Agreement, shall not be limited to the amount of insurance maintained by the Exhibitor/Sponsor, and shall extend to claims occurring after the expiration or earlier termination of this Agreement as well as to claims occurring while this Agreement is in force.

Insurance
The exhibitor understands that the American Concrete Institute, the Hotel, the overnight security company or general services contractor does not maintain insurance covering exhibitor's property or lost revenue. Exhibitors shall, at their own expense, secure and maintain through the duration of the ACI convention, including move-in and move-out days, keep in force general liability insurance covering bodily injury, broad form property damage, and worker's compensation insurance. Exhibitor shall provide ACI with a copy of its insurance certificate no later than 30 days (9/19/2019) prior to the convention.

Americans with Disabilities Act
All parties shall be responsible for compliance with the public accommodation requirements of the Americans with Disabilities Act and the Act's accompanying regulations and guidelines (collectively, the “ADA”). Hotel shall provide, to the extent required by the Act, such auxiliary aids and/or services as may be reasonably requested by ACI, provided ACI gives reasonable advance notice about the special needs of any attendees of which ACI is aware. Exhibitor/Sponsor shall be responsible for the cost of any auxiliary aids and services (including engagement of and payment to specialized service providers, such as sign language interpreters), other than those types and quantities typically maintained by the hotel.

Care of the Venue
Exhibitor/Sponsor shall promptly pay for any and all damages to the venue or booth equipment of the property or others caused by the exhibitor/sponsor.

Suitcasing
Attendees, sponsors, or exhibitors found to be “suitcasing” (soliciting business in session and committee meeting rooms, aisles, or booth of another exhibitor) will be asked by staff to cease this practice. Should this continue, they will be asked to leave the show floor immediately and will forfeit any exhibitor points earned for that show.
Dear Colleague,

We invite you to support The Concrete Convention and Exposition—an opportunity for more than 2000 engineers, architects, contractors, educators, manufacturers, and material representatives from around the world to gather and learn from one another, as well as engage with companies such as yourself who make an impact in the concrete industry and its codes, specifications, and guides. Decisions made during the ACI Convention improve the safety and sustainability of concrete structures worldwide.

Through over 300 committee meetings, 40+ sessions, an exhibit area, and numerous networking events, the ACI Convention provides a forum for the development and advancement of current issues in the concrete industry. What better opportunity to showcase your company's products and services than by exhibiting at a meeting attended by the key leaders and decision-makers in the concrete industry?

As an exhibitor at the ACI Convention, you will receive great visibility through events held in the exhibit hall. Attendees of the ACI Convention are looking to enhance their concrete knowledge and will look to the products and services in the exhibit area to help them make educated decisions to better serve the industry and keep their practices up to date.

Create an even higher profile through sponsorship opportunities! Combine your pre-, at-, and post-show exposure for the highest visibility and message delivery. Your company will have personal and direct contact with the attendees from various professions, backgrounds, and expertise in the concrete industry. Through a wide variety of sponsorship opportunities, your company can be in the spotlight during networking events, lunch breaks, technology outlets, and more! Your support is essential for the ACI Convention to be a success.

Don’t miss this opportunity to be part of this important gathering of professionals! We thank you for your consideration and look forward to the chance to speak with you personally to discuss the ACI Convention and how you can become a valuable partner!

Sincerely,

Testimonials

“The Silica Fume Association has been exhibiting at ACI conventions since the late 90s, and likely from the beginning. We’ve strong feelings about reaching out to the upcoming engineers and students in the concrete profession and have found ACI conventions a great venue for contacting the next movers and shakers in our industry. We are always pleased when a field engineer on a project says, I first heard of high-performance concrete, and silica fume technology at an ACI convention. Who are the next specifiers? We (The SFA) meet them at ACI conventions.”

–Tony Kojundic, Silica Fume Association

“In addition to showcasing our products and networking with people who are influential in the concrete industry, attending and exhibiting at ACI conventions allows us to stay current on issues that may affect the GPR inspection market.”

–Carrie-Ann Amyot, Sensors & Software, Inc.

ACI Convention attendees represent decision makers and influential members of the concrete industry. Allow them to learn about your company and product offerings up close and personal!
### Why Sponsor the ACI Convention?

Sponsorship is one of the best ways to brand your organization as a leader in the industry and to highlight your commitment to advancing and sharing knowledge. As a sponsor, you will be able to:

- **Connect with industry decision makers.** With over 2000 attendees, the convention is the place to be heard and seen. The convention represents organizations from across the globe!
- **Showcase your organization's expertise** at a world-class convention. The convention provides high-quality opportunities for attendees to learn, connect, and share with their peers.
- **Demonstrate your leadership.** As we focus on the essential role that concrete plays in society, share with your colleagues the topics and work you care deeply about.

• Two exhibitor registrations, giving access to committee meetings, sessions, and networking events, including the Concrete Mixer
• Existing carpeting
• Opportunity to give a demonstration to convention attendees during a dedicated 30-minute time slot

Other benefits include:
• Pre- and post-convention registration list (those attendees who have opted in to share information)
• Company logo listed in convention preview*  
• Company listed in convention program book*
• Company logo listed on the ACI Convention website and mobile app with link to company home page
• Company logo display on exhibitor banner during the convention
• Recognition at the Opening Reception and Concrete Mixer
• Company recognition in Concrete International*
• Flexible move-in hours available
• Exposure to over 2000 industry leaders and decision-makers* If confirmed by print date

Events in the Exhibit Area:
• The Concrete Convention Registration—Saturday through Wednesday
• ACI Bookstore—Saturday through Wednesday
• Student Competition—All day Sunday
• Opening Reception—Sunday evening

Booth Assignments
ACI uses a point system to allocate exhibit space. Exhibitors earn points at each convention in which they participate. Points are awarded per show. Points are retroactive from the previous six conventions. The point system scale is listed below:
- 10 x 10 ft exhibit space—one point per show
- 10 x 20 ft exhibit space—two points per show
- Sponsorship that includes a booth—two points per show

Points will only be given to exhibitors who comply with ACI’s Exhibitor Guidelines. Failure to comply will result in the loss of points. The point system does not preclude the exhibitor from requesting their top five locations.

ACI Show Management reserves the right to make changes to the floor plan in the event of a potential hazard or to increase traffic flow in the exhibit area.

Should you have any questions regarding the point system, booth assignments, or the exhibitor guidelines, please contact Elizabeth Zimmerman at +1.248.848.3186 or elizabeth.zimmerman@concrete.org.

Booth Construction
Exhibit materials may not extend past the allotted 10 x 10 ft area. Signage and set up should allow line of sight to other exhibitors. Show management has the right to make you take down or remove anything that may block the view of other booths.

Forced Freight
Materials not packed and picked up by the end of the designated move-out time will be considered forced freight. The general service contractor will assume responsibility for forwarding that freight to the exhibitor. Exhibitors will be responsible for the costs to break down, package, and ship that freight.

Manning Your Exhibit Booth
ACI only requires that materials be readily available to be picked up by attendees during the show hours. ACI does NOT require that exhibitors be in their booth at all times.

Exhibitor Move-in
If you foresee a problem with moving in during the designated move-in hours, please call Elizabeth Zimmerman at +1.248.848.3186 to make alternate arrangements. Please note: if you need assistance from the service contractor at alternate times, you will incur charges. Exhibitors who have not made prior arrangements and have not set up at the end of move-in may not be permitted to set up their booth.

Exhibitor Move-Out
Please do not break down before the end of the show hours. ACI schedules labor based on the show closing time. No adjustments to the scheduled labor, delivery of storage materials, and acceptance of bills of lading will be made for an exhibitor that breaks down prior to show closing. Exhibitors who break down before the end of the show will forfeit their points earned for that show.

Storage
Combustible materials such as crates and boxes are limited to a 1-DAY SUPPLY on the exhibit floor. Storage of combustible materials behind booths is prohibited. The fire marshal will inspect prior to the show opening. Exhibitors must remove any items that the fire marshal deems a fire hazard. Failure to do so will result in delaying the opening of the show and you may be removed from the exhibit floor.

Sales on Exhibit Floor
Exhibitors may sell or take orders for any concrete-related product only in their booth. Only the ACI Bookstore may sell publications/documents. Any exhibitor or sponsor found to be selling publications/documents on the show floor or unrelated product to the concrete industry will be given a verbal warning for the first offense, written warning for the second offense, and immediately requested by staff to leave the show floor on the third offense.

Security
The American Concrete Institute provides security only. Exhibitors should remove from their booth all items of value that can be easily taken at the end of each day. The American Concrete Institute and the Hotel are not responsible for lost or stolen items.

Cancellation
An administrative fee of 50% of the pledged amount will be charged for any cancellation occurring more than 60 days prior to the convention start date. Cancellations received less than 60 days before will not receive a refund. If ACI cancels the convention due to circumstances beyond their reasonable control, ACI shall refund to each exhibitor its exhibit space rental payment previously paid, minus a share of costs and expenses incurred. Circumstances include Acts of God such as war; government regulations; civil disorders; transportation disruption; work stoppage; terrorist act within 250 miles of destination; disaster including fire, flood, tornado, and hurricane; and entire or partial destruction of the venue.

Indemnification
The Exhibitor/Sponsor assumes all responsibility for all loss, theft, and/or damage to exhibitor’s displays, equipment, and other property while on Hotel premises, and hereby waives any and all claims and/or demands it may have against ACI and Hotel, its parent and/or any of its affiliate companies arising from such loss, theft, and/or damage. In addition, the Exhibitor/Sponsor agrees to defend indemnify and hold harmless ACI and Hotel and their respective parent, subsidiary, and other related and affiliated companies from and against any and all liabilities, obligations, claims, damages, suits, costs, and expenses, including, without limitation, attorneys’ fees, costs of court, and costs of other professionals, arising from directly and/or indirectly and/or in connection with the Exhibitor/ Sponsor’s occupancy and/or use of the exhibition premises and/or any part thereof and/or any act, error, and/or omission of the exhibitor and/or its employees, subcontractors, and/or agents. The provisions of indemnity herein shall survive, indefinitely, the expiration or earlier termination of this Agreement, shall not be limited to the amount of insurance maintained by the Exhibitor/Sponsor, and shall extend to claims occurring after the expiration or earlier termination of this Agreement as well as to claims occurring while this Agreement is in force.

Insurance
The exhibitor understands that the American Concrete Institute, the Hotel, the overnight security company or general services contractor does not maintain insurance covering exhibitor’s property or lost revenue. Exhibitors shall, at their own expense, secure and maintain through the duration of the ACI convention, including move-in and move-out days, keep in force general liability insurance covering bodily injury, broad form property damage, and worker’s compensation insurance. Exhibitor shall provide ACI with a copy of its insurance certificate no later than 30 days (9/19/2019) prior to the convention.

Americans with Disabilities Act
All parties shall be responsible for compliance with the public accommodation requirements of the Americans with Disabilities Act and the Act’s accompanying regulations and guidelines (collectively, the “ADA”). Hotel shall provide, to the extent required by the Act, such auxiliary aids and/or services as may be reasonably requested by ACI, provided ACI gives Hotel reasonable advance notice about the special needs of any attendees of which ACI is aware. Exhibitor/Sponsor shall be responsible for the cost of any auxiliary aids and services (including engagement of and payment to specialized service providers, such as sign language interpreters), other than those types and quantities typically maintained by the hotel.

Care of the Venue
Exhibitor/Sponsor shall promptly pay for any and all damages to the venue or booth equipment of the property or others caused by the exhibitor/ sponsor.

Suitcasing
Attendees, sponsors, or exhibitors found to be “suitcasing” (soliciting business in session and committee meeting rooms, aisles, or booth of another exhibitor) will be asked by staff to cease this practice. Should this continue, they will be asked to leave the show floor immediately and will forfeit any exhibitor points earned for that show.

Dear Name,

ACI’s 2013 Fall Convention will be held in Phoenix, Arizona. The theme of the convention will be “Innovation in Conservation: The Rise of Phoenix” and we anticipate hosting between 1,100 and 1,500 attendees and guests.

As you may be aware, the host ACI chapter is responsible for many of the costs associated with the convention. We request your financial support to make the 2013 Fall Convention a success. We have established various sponsorship levels for the convention, along with payment plan options, which are described on the following page. In return for your support, your company will be recognized during the convention as indicated in the corresponding sponsorship description. Please complete the attached sponsorship form to indicate our company’s level of commitment.

Thank you in advance for your generous support. If you have any questions, please do not hesitate to contact the Finance and Fundraising Committee. We look forward to welcoming you to the 2013 Fall Convention in Phoenix, Arizona.

Sincerely,

Teresa Coleman
Fundraising Chairman
2013 Convention Co-Chair
