NAME OF CANDIDATE _____

BRIEF CITATION: Please provide a brief statement on why this candidate should be nominated. This statement (**A MAXIMUM OF 3 SENTENCES**) will be the basis for the citation submitted to the ACI Board of Direction and should be suitable for publication in ACI's awards program booklet.

THIS CITATION IS MANDATORY TO COMPLETE THE NOMINATION

Proposed Citation:

SAMPLES OF PAST CITATIONS

“for recognition of the many contributions he has made to the concrete industry in general, to the use of structural concrete in high-rise buildings, and in making important advances in the use of concrete buildings located in areas of high seismicity”

“for the association’s 70-year commitment to innovative design of concrete structures, and for contributions to ACI committees related to concrete design and construction”

“for her innovative and motivational teaching of concrete materials and the design and construction of concrete structures to students and engineers”

“for his many contributions to the knowledge-base for cement and concrete technology, and the effective transfer of this knowledge to others through professional papers, presentations, and standards development activities”

Please return completed form to: Ms. Diane Pociask ♦ American Concrete Institute
38800 Country Club Drive ♦ Farmington Hills, MI 48331 USA
