INSTRUCTIONS

When seeking recertification with continuing education for ACI Concrete Flatwork Associate, Finisher, or Advanced Concrete Flatwork Finisher, you must complete 10 hours of approved continuing education during the 5-year certification period (instead of taking the then-current written or performance exam). Finishers and Advanced Finishers must also submit applicable work experience using the Work Experience Form.

Recertification hours can be from multiple events (e.g., 5 hrs from WoC and 5 hrs from ACI University), taken within the 5-year period. Credit will not be given if the same course is taken multiple times during this period.

Check off all courses taken and fill in the date attended. Send this form, proof of completion documents (certificates, enrollment, etc.), Recertification Payment Form, and payment to:
