

Recertification for Concrete Flatwork Associate, Finisher, and Advanced Concrete Flatwork Finisher Continuing Education Verification Form: 2024

Name of Candidate: _____ Certification ID/Last 4 digits of SSN: _____

Address: _____

City: _____ State: _____ Zip: _____

Employer: _____ Employer's Phone: _____

I authorize those whom I have given as references to furnish to ACI or its agents information concerning my education and other background relevant to the stated requirements of the ACI certification programs. I agree to release and hold harmless any individual, company or institution, including ACI, and any persons connected therewith from liability imposed by law in furnishing such information. I understand that untruths or misrepresentation contained herein constitute grounds for denial of certification.

Signature of Candidate

Date

INSTRUCTIONS

When seeking recertification with continuing education for ACI Concrete Flatwork Associate, Finisher, or Advanced Concrete Flatwork Finisher, you must complete 10 hours of approved continuing education during the 5-year certification period (instead of taking the then-current written or performance exam). Finishers and Advanced Finishers must also submit applicable work experience using the Work Experience Form.

Recertification hours can be from multiple events (e.g., 5 hrs from WoC and 5 hrs from ACI University), taken within the 5-year period. Credit will not be given if the same course is taken multiple times during this period.

Check off all courses taken and fill in the date attended. Send this form, proof of completion documents (certificates, enrollment, etc.), Recertification Payment Form, and payment to:

ACI Certification
ATTN: Exam Processing
38800 Country Club Drive
Farmington Hills, MI 48331

This form only lists approved courses for select venues during 2024. Additional forms are available here.
