The **American Concrete Institute (ACI)** and **Moroccan Association of Concrete Industry (AMIB)** are pleased to announce a half-day workshop on “**ACI Recourses for Enhancing Quality Infrastructure.**”

May 30, 2023 | Casablanca, Morocco | Marriott Casablanca

This workshop intends to provide an introduction on ACI and will focus on key products and services developed and maintained by ACI volunteers and supported by ACI staff. Speakers will be sharing their thoughts on how ACI products and services are recognized and used globally to help ensure safe, durable, and sustainable concrete projects.
