

# Anchorage Design Certificate Program

ACI Certificate Programs are designed to provide concrete professionals with in-depth knowledge about particular topics in concrete materials, design, and/or construction by following a defined course of study. Once a course of study for a certificate program has been completed, the participant can request to receive a certificate through ACI University.

The Anchorage Design Certificate Program covers the basic design principles for anchorage to concrete, the background of ACI 318, Appendix D (currently ACI 318, Chapter 17), example design problems for single anchor applications, and an understanding of post-installed anchor qualification.

A program certificate is awarded after completion of the following required courses:

- [Anchorage to Concrete](#) (7.5 PDH)
- [Overview of the ACI Adhesive Anchor Installer Certification Program](#) (1 PDH)
- [Adhesive Anchors: Reliability, Environmental Exposure, and Hole Preparation](#) (1 PDH)
- [Adhesive Anchor Installation](#) (1 PDH)
- [Qualification of Post-Installed Adhesive Anchors \(Part 1\)](#) (1 PDH)
- [Qualification of Post-Installed Adhesive Anchors \(Part 2\)](#) (1 PDH)
- [Qualification of Post-Installed Adhesive Anchors \(Part 3\)](#) (1 PDH)
- [Qualification of Post-Installed Mechanical Anchors \(Part 1\)](#) (1 PDH)
- [Qualification of Post-Installed Mechanical Anchors \(Part 2\)](#) (1 PDH)
- [Adhesive Anchor Installer Certification Training](#) (2.5 PDH)

## Program Guidelines:

- Completion of each course requires an 80% passing score on the course exam.
- All course completion certificates must be earned within a maximum period of 2 years.
- Courses that are updated will still count toward the certificate program as long as they have been completed within the 2-year timeframe.
- Any course completed outside the 2-year timeframe must be retaken using the current version of the course.
- Courses must be completed by one individual using the same username.
- Access to ACI documents not included with the course may be required.
- Once the course of study has been completed, a program certificate can be requested through ACI University (My Courses tab).
- ACI reserves the right to update courses and change certificate program requirements at any time.
- ACI reserves the right to revoke a certificate or discontinue a certificate program for any reason.

## To Obtain Certificate:

Certification Name	Application Date	Certified Date	Expiration Date	Certificate
Certificate Program: Anchorage Design	Dec 18, 2025	Mar 18, 2026	-	<a href="#">View History</a> <a href="#">Download</a>
