

Examiner Step-by-Step Checklist and Instructions for conducting Concrete Strength Testing Technician Certification examination sessions

- ~ Read *ACI Certification Policies for Concrete Strength Testing Technician*— this policy must be adhered to at all times, especially Policy Item 6.13! When in doubt, check the policy first, *then* call ACI!

PRIOR TO EXAM

- ~ Determine examination date _____
- ~ Determine certification/exam materials needs of individuals registered for exam session:
 - _____ # Seeking certification (either first-time or renewal) — order one (1) **FULL EXAMINATION** for each. Recertification requires passing both the written **and** performance exams.
 - _____ # Seeking written reexamination (examinee has passed the performance exam within one year of your scheduled exam date) — order one (1) **WRITTEN EXAMINATION** for each.
 - _____ # Seeking performance reexamination (examinee has passed the written exam within one year of your scheduled exam date) — order one (1) **PERFORMANCE EXAMINATION** for each. Please note: If the examinee had failed the performance exam by one (1) section, he/she may be tested on only that section failed — use only that checklist needed and the checklist report; in this case there is no charge for the performance exam. If the examinee had failed by two (2) sections or more, he/she must retake the **entire** performance exam; in this case there is a charge for processing the exam.
- ~ Order materials at least four (4) weeks prior to examination date from the **ACI Certification Department by phone** using Local Sponsoring Group's CE Account Number, or provide above information to LSG ordering agent. *Do not send blind FAXes. Do not over-order by more than five (5) exams!*
- ~ If exam materials package does not arrive at least two (2) weeks prior to the exam session, call **ACI CERTIFICATION DEPARTMENT** (248) 848-3700.
