Additional Company Representative(s) if Organizational Member (8 people per company total):

MARYLAND CHAPTER ACI MEMBERSHIP BENEFITS

*The Maryland Chapter ACI membership includes:
design professionals, concrete contractors, cement, admixture, ready-mixed concrete suppliers,
independent testing agencies, representatives from government agencies and professionals
from other affiliated products and services companies within the concrete construction industry.
Chapter members enjoy networking opportunities; receive timely information about topics that affect our
industry; interact with educators and representatives from local universities; have access to training and
certification programs and can make use of all new ACI publications found in our chapter library.
Chapter Members may also receive discounts on designated meetings plus have access to seminars
where continuing education credits are offered.*

DUES SCHEDULE

Membership Category

Annual Chapter Dues

() Individual

\$25.00

Benefits include: Name, Company Name, and Email Address listed in the chapter's database to receive newsletters, meeting notices and certification applications.

() Contributing

\$50.00

A person, firm, corporation, society, agency of the government or other organization electing to give greater support to the Chapter. Additional dues will help support our certification program.
