Additional Company Representative(s) if Organizational Member (8 people per company total):

ACI MARYLAND CHAPTER MEMBERSHIP BENEFITS:

Members include design professionals, concrete contractors, cement, admixture, ready-mixed concrete suppliers, independent testing agencies, representatives from government agencies, and professionals from other affiliated products and services companies within the concrete construction industry.

Chapter Members enjoy networking opportunities, receive timely information about topics that affect our industry, interact with educators and representatives from local universities, have access to training and certification programs, and can make use of all new ACI publications found in our Maryland Chapter library.

Maryland Chapter Members may also receive discounts on designated meetings plus have access to seminars where continuing education credits are offered.

2022 DUES:
