SP Final Material due if produced after Session	October 13, 2020	March 23, 2021	October 19, 2021

Chairs can also hold a virtual interim meeting through their committee webpage on the ACI website. The virtual meeting must be set up at least 2 weeks in advance through ACI staff. This is a great way to make progress on documents and tasks between conventions. If you really want to progress, set a virtual meeting up monthly and see what happens.
