

ACI 318H Correspondence

TO: Members, Subcommittee 318-H – Seismic Provisions
FROM: Sharon L. Wood, Chair
SUBJECT: Cincinnati Meeting Agenda
DATE: 17 October 2019

The revised agenda for the Cincinnati meeting of ACI 318H is attached. We are meeting 1:30 to 6:00 pm on Tuesday, 22 October 2019 in C-206 (Duke Energy Convention Center).

Also attached please find a compilation of six new business items that derive from public comments for 318-19. Also attached are two proposals to the Concrete Research Council that must be considered by Sub H.

I look forward to seeing you next week in Cincinnati.
