

Agenda for 446 - Fracture Mechanics of Concrete--Joint ACI-ASCE

Fall 2019 Meeting

Monday, October 21 | 8:30 AM - 10:00 AM
Duke Energy Convention Center| Cincinnati, OH
C-231

1. Introduction (all)
2. Membership report (Carloni/Hanson)
3. Upcoming conferences and Symposia (all)
4. ACI 446 Report - *Testing and Identification of Concrete Fracture Properties*: Chapter 3
5. ACI 446 Report - *Testing and Identification of Concrete Fracture Properties*: Chapters 4, 5 and 6 (Carloni/Wendner/Landis/Di Luzio/Alnaggar)
6. Applications of Fracture Mechanics Report (Le/Carloni)
7. ASTM standard (Carloni/ Schaefer)
8. New fracture testing results (Carloni)
9. New business
10. *Size effect in fracture of fiber reinforced concrete and of beams reinforced by fiber composites* by Abdullah Donmez and Zdenek P. Bažant (Presentation)
11. Adjournment
