## 6.0 Repair Code Development Proposal (McDonald)

Chair McDonald will report on the TAC action regarding the TRRC request for a joint ACI-ICRI technical committee to develop a repair guide/code.

## 7.0 Repair Code Outline (Paul)

All comments on the outline distributed before the Baltimore meeting should be directed to Jay Paul. Further discussion on this item should take place during the meeting.

## 8.0 Implementation of the TRRC Action Plan (McDonald)

All members are encouraged to review the summary table of the overview of repair and rehabilitation in ACI documents. Individual TRRC members will be assigned as liaisons with each committee involved in repair-related activities. Also, strategies will be developed for each committee to enhance evaluation, repair, rehabilitation, strengthening and protection within ACI.
