

# ACI 374 Committee Meeting

## *Performance-Based Seismic Design of Concrete Buildings*

2021 Spring Virtual Meeting  
Monday March 29, 2020  
8:30 AM to 12:00 PM  
\*All Times Listed are Pacific

### **Web Conference Information:**

Conference Call Info: US: +1 (646) 749-3122 Access Code: 995-973-645

- |     |          |            |   |
|-----|----------|------------|---|
| 1.  | 8:30 AM  | - 8:35 AM  | Introductions, Agenda, and Fall Minutes (All)                                 |
| 2.  | 8:35 AM  | - 8:55 AM  | Coupling Beam Testing and Deformation Capacity (Motter)                       |
| 3.  | 8:55 AM  | - 9:20 AM  | Ballot Resolutions for ACI 374.3 General Provisions (Kim)                     |
| 4.  | 9:20 AM  | - 9:45 AM  | Ballot Resolutions for ACI 374.3 Diaphragm Modeling (Kolozvari)               |
| 5.  | 9:45 AM  | - 10:00 AM | Ballot Resolutions for ACI 374.3 Wall Classification and Stiffness (Abdullah) |
| 6.  | 10:00 AM | - 10:10 AM | Break   |
| 7.  | 10:10 AM | - 10:25 AM | Material Properties Database (Abdullah)                                       |
| 8.  | 10:25 AM | - 10:35 AM | ACI 374.3 Foundation Modeling Updates (McFarlane)                             |
| 9.  | 10:35 AM | - 10:50 AM | ACI 374.3 Future Ballot for Wall Modeling                                     |
| 10. | 10:50 AM | - 11:00 AM | Updates to High Strength Concrete Document (Ibarra)                           |
| 11. | 11:00 AM | - 11:10 AM | Updates to Loading Protocol Document (Saatcioglu)                             |
| 12. | 11:10 AM | - 11:25 AM | ACI Foundation Project Closeout for Shear Friction (Calvi)                    |
| 13. | 11:25 AM | - 11:35 AM | Functional Recovery Subcommittee Updates (Sattar)                             |
| 14. | 11:35 AM | - 11:55 AM | Guide to Nonlinear Modeling Parameter Development (Motter)                    |
| 15. | 11:55 AM | - 12:00 PM | New Business / Other Topics (All)   |
| 16. | 12:00 PM | - 12:00 PM | Adjourn   |
