

ACI COMMITTEE 318 — SUBCOMMITTEE L — INTERNATIONAL LIAISON

TO: Members, Subcommittee L of ACI Committee 318
FROM: Guillermo Santana, Chair
SUBJECT: Kansas City MO Meeting Agenda
DATE: November 4, 2005

Dear all:

Kansas City Sub L agenda

Please find attached the agenda for the Kansas City meeting.

Kansas City Sub L meeting

The Sub L meeting is scheduled for Monday November 7 from 2:00 to 5:00 PM in room C-2209 at the Kansas City Convention Center.

Since this will be the first time we meet, I will start by thanking you in accepting the challenge of being part of Sub L. We will have Chair J. Wight giving a short introduction to the work that is expected of us. We must work fast on all issues that surely will come up in the meeting if we want to have some impact on ACI 318-08. Time will fly, as it always does.

I will be looking forward to see you all in Kansas City.

Guillermo Santana
