Re: Nominations for the 2022 Robert E. Philleo & Arthur J. Boase Awards

Award Process & Timeline: Public nominations have been received for the 2022 CRC Awards. All of the nomination forms, CVs, and supporting documents are located in the CRC Award Committee document library in the “Draft Documents” folder: [CRC Awards Committee Webpage](#).

2021 Awardees were: Philleo Award to Mike Thomas and Boase Award to Tony Nanni.

Note: Nominees not selected for an award shall be reconsidered by the Committee for one additional year. Nominees not selected for two consecutive years may be re-nominated after a lapse of two years.

1. Nominees for the 2022 Philleo Award:

The Robert E. Philleo Award of the Concrete Research Council, established in 1992, is given in recognition of a person, persons, or an organization for outstanding research in the concrete materials field, or for outstanding contributions to the advancement of concrete technology through application of the results of concrete materials research. It is given in memory of an Institute Past President and Honorary Member who was also chairman of the Concrete Materials Research Council, now the Concrete Research Council. The award is a plaque suitably inscribed with the name of the recipient and the citation.
