3. Approval of New York Minutes
4. Approval of Agenda
5. Status of the State of the Art Report (365.1R)
 - a. Chapter Progress Updates
 - i. Chapter 1: Trejo
 - ii. Chapter 2: Berke, Thomas & Dolan
 - iii. Chapter 3: Basheer, Naus & Dolan
 - iv. Chapter 4: Tourney, Bentz, Marchand & Garboczi
 - v. Chapter 5: Trejo & Ehlen
 - vi. Chapter 6: Aldykiewicz, Tourney and all members
 - vii. Chapter 7: Hooton
 - b. Milestones & Re-approval of the State-of-the-Art Report (Marcotte)
Eight years are permitted before TAC considers dropping a document from the MCP. As such, the following timeline can be deduced for 365.1R-00:
 - i. Resolution of all issues relating to 365.1R-00 in Kansas City, Charlotte, and Denver (Fall 2006)
 - ii. Initiate TAC review of revised document, permitting a full year to respond to TAC comments: Spring 2007 (Atlanta)
 - iii. TAC decision to remove document: Spring 2008 for 2009 MCP
6. Subcommittee 365A Report
7. Report on Technical Sessions
 - a. “Advances in Service Life Models that Consider Multiple Sources of Deterioration” Charlotte, Spring 2006 (Weiss)
 - b. “Predicting or Extending Service Life” TBD (Thomas)
 - c. “In-service inspection and condition assessment” TBD (Hansson, Miltenberger)
 - d. New topics?
8. New Business
9. Next Meeting
 - a. Identical session slot in Charlotte?
 - b. Featured presentation?
10. Adjournment
