

ACI COMMITTEE 318 — SUBCOMMITTEE L — INTERNATIONAL LIAISON

TO: Members, Subcommittee L of ACI Committee 318
FROM: Guillermo Santana, Chair
SUBJECT: Atlanta GA Meeting Agenda
DATE: April 23, 2007

Dear all:

Atlanta, GA Sub L agenda

Please find attached the agenda for the Atlanta, GA meeting.

Atlanta, GA Sub L meeting

The Sub L meeting is scheduled for Monday April 23 from 5:00 to 6:30 PM in room Fayette in the second floor of the Atlanta Hilton Hotel.

I realize that some of you are also members of 318-S and would rather have the two meetings at different time slots. We have corrected the problem we had during the last convention. Since the last time we met, a lot of progress has been made towards the completion of the ACI 318-08 document. I hope that you are as committed to the improvement of the code as I am and that you will bring more new ideas on how to increase the international community's participation in ACI.

I will be looking forward to seeing you all in Atlanta.

Guillermo Santana
