Attached is a copy of the agenda for the Fall Meeting in San Juan, Puerto Rico; please try to attend the meetings if at all possible. I would like to thank each of you for all of the time and effort that you have put into responding to the three ballots that we have submitted since our last meeting. As a result of the ballots, we have many negatives to review and hopefully resolve.

Please bring a copy of all of the ballots and the corresponding responses to the meeting.

I look forward to seeing each of you in San Juan.
