Wednesday, March 18, 2009

7:00 to 8:00 am

Room: TBD

San Antonio, Texas

Members

Julio A. Ramirez, Chair; Kenneth B. Bondy, ACI; Robert T. Leon, SEI; James A. Rossberg, SEI; David H. Sanders, ACI; Daniel W. Falconer, ACI

1. Introduction

Action: Chair Ramirez is asked to make introduction.

2. Report on CCMS activity

Background: At the fall 2008 meeting, the task group discussed the process for submitting papers for the T. Y. Lin Award, and the usefulness for joint ACI-ASCE/SEI committees to have the information readily accessible on their committee webpages.

Report: ACI staff posted links on the joint committee websites for ASCE/SEI's nomination procedures for honors and awards and publication submittal procedures.

Action: Chair Ramirez is asked to report on CCMS activity.

3. Report on ACI Joint Committee issues

Background: At the 2008 fall meeting, ASCE/SEI staff requested to be made aware of documents that joint committees are producing and to receive copies of joint committees' completed biannual reports.

Report: ACI staff agreed to send Chair Ramirez a copy of joint committee documents when submitted to TAC for review. ACI staff also sent Chair Ramirez a copy of the fall 2008 biannual reports for joint committees.

Action: David Sanders is asked to report on any ACI joint committee issues.

4. Report on SEI Joint Committee issues

4a. ACI 335 request to be joint with ASCE/SEI Composite Construction

Background: At the 2008 fall meeting, Roberto Leon agreed to discuss the joint committee membership of ACI Committee 335 and ASCE/SEI Composite Construction with the chair of the ASCE/SEI composite committee.

Action: Jim Rossberg is asked to report on the request of ACI Committee 335 to be joint with ASCE/SEI Composite Construction

5. Coordination between ACI 216 and ASCE/SEI 29

Background: At the 2008 fall meeting, the task group discussed three options for combining ACI 216 and ASCE/SEI 29.

Report: Vankatesh Kodur, chair of both ACI 216 and ASCE/SEI 29, stated that he did not see a need to combine these committees.

6. ACI Convention / SEI Congress Coordination

Background: ASCE/SEI would like to try to hold their congress close to different organizational events on a regular basis, such as the ACI spring convention.

Action: Jim Rossberg is asked to report on possible dates that ASCE/SEI may be interested in.

7. Possible ACI-ASCE/SEI Conference in December 2009

Background: ASCE/SEI and the Applied Technologies Council (ATC) are planning a meeting in San Francisco for December 2009.

Action: Jim Rossberg is asked to report on the ASCE/SEI conference in December 2009.

8. ACI-ASCE/SEI Coordinating Task Group Objectives for 2009

Action: Chair Ramirez is asked to report on any objectives for 2009.
