Attached is a copy of the agenda for the Spring Meeting in San Antonio. In order for us to stay on track attendance at all of the meetings is necessary so please make every effort to be present. Most of the meeting will be dedicated to resolving negatives and discussing editorial changes. Your input in the resolutions of the negatives is both needed and desired.

Due to meeting space limitations at the convention there will be changes in the subcommittee meeting schedule.

Please bring to the meeting a copy of letter ballot 301 09 01 ballots with the corresponding responses.

I look forward to seeing each of you in San Antonio.
