From: Calvin McCall  
Subject: New Orleans Convention Meeting

Attached is a copy of the agenda for the Fall 2009 Meeting in New Orleans. LA. We have one purpose at the meeting and that is to finish the resolution of the TAC Comments. We will have the majority of them completed but we still have work to do.

Just to keep you informed we must resolve all of the TAC comments at the convention and get TAC to approve our responses. The document will be available for Public Review from December 1, 2009 until January 15, 2010. It is my goal to get the public comments handled by the Spring 2010 convention.

Please bring your copy of the committee response to TAC comments, copy of 301 document that was sent to TAC, and Letter Ballot 301 09 02.

I look forward to seeing each of you in New Orleans.
