

# ACI Committee 548 - Polymers in Concrete Agenda Phoenix, AZ

Date: **Monday, October 28, 2002**  
Place: **Marriott Renaissance Center**

Time: **8:30am – 11:30am**  
Room: **Lantana**

1. Call to Order
2. Introduction of Members and Guests.
3. Minutes of the Detroit Meeting, April 22, 2002  
Main Committee (with sub-committee attachments)
4. Subcommittee Designation Changes
 

<i>Old Designation</i>	<i>New Designation</i>	<i>Title</i>
548-B	548-A	Polymer Concrete Overlays
548-D	548-B	Sulfur Concrete
548-E	548-C	Polymers in Concrete – Structural Design & Analysis
5. Membership Status Report
6. Report on Spring 2003 technical session - ***Polymer Concrete Structural Design, Overlay Applications and Quality Control*** – Tom Wickett & Milt Anderson, co-chairmen
7. Publication report for ***ACI 548 – The First 30 Years***, Spring 2001, Richard Prusinski
8. Document Status Reports
  - 8.1. **548.1R-97** "Guide for the Use of Polymers in Concrete." - Milt Anderson
  - 8.2. **548.3R-95** "State-of-the-Art Report on Polymer Modified Concrete." – Al Kaeding
  - 8.3. **548.6R-96** "Polymers in Concrete Structural Applications State-of-the-Art-Report." – Wafeek Wahby
  - 8.4. **548.X** "Standard Specification for Type EM Polymer Concrete Overlays." – Mike Stenko
  - 8.5. **548.Y** "Standard Specification for Type ES Polymer Concrete Overlays." - Mike Stenko
  - 8.6. **548.Z** "Proposed Test Method for Load Capacity of Underground Utility Structures." - Al Kaeding
  - 8.7. **548.AA** "State of the Art Report on Precast Sulfur Concrete." – Garth Fallis
  - 8.8. **548.BB** "Standard Specification for Type MP Polymer Concrete Overlays" - Mike Stenko
  - 8.9. **548.CC** "Guide for Structural Analysis of Polymer Concrete Structures." - Wafeek Wahby
  - 8.10. **548.DD** "Standard Specifications for Cast in Place Sulfur Concrete." – Garth Fallis
9. Sub-committee reports:
  - 9.1. ***Polymer Concrete Overlays***, Mike Stenko, Chairman
  - 9.2. ***Sulfur Concrete***, Garth Fallis, Chairman
  - 9.3. ***Structural & Design Analysis of Polymer Concrete***, Wafeek Wahby, Chairman
  - 9.4. ***Task Force on PMC*** – Mahmoud Reda Taha
10. Liaison reports:  
ASTM, ICRI, ICPIC, SSPC, TRB, Others
11. Any Other Old Business
12. New Business
13. Next Meeting – March 30-April 3, Fairmont Hotel Vancouver & Hyatt Regency, Vancouver, BC
14. Presentations by Members & Guests.

### Subcommittee Meeting Schedule

Sub-committee	Location	Time
Polymer Concrete Overlays	Diablo	Sunday, 2p-5p
Sulfur Concrete	Sunset F	Sunday, 11:30a-1p*
Structural Design	Suite 2371	Sunday, 8:30a-11:30a
PMC Task Force	Sunset F	Sunday, 12:00 noon-2p*

\*Note that this meeting room is scheduled on the ACI program for our use from 11:30 to 2:30.

### *Our Mission:*

*Develop and report information, and develop and maintain standards for the use of polymers in concrete.*
