RE: ACI Committee 546

Fall 2002 Convention
Phoenix, Arizona

Dear Voting Member or Associate Member:

Attached is the Agenda for the ACI 546 general meeting on October 28, 2002 in Phoenix. This meeting will be devoted primarily to resolving the TAC comments on the Material Selection Guide. Because TAC has yet to review the Repair Guide, we have decided to not have the 546-C sub-committee meeting and will take care of any business pertaining to the Guide at the general meeting. Please try to be at the meeting, especially when we trying to resolve the TAC comments.

The planned dates for our meetings are:

546---General Meeting---Mon. 10:00am-1:00pm.
546-A---Underwater Repair---Sun. 2:00pm-3:30pm.
546-B---Material Selection Guide---Sun. 2:00pm-5:00pm.
E706---EAC RAP Tg---Sun 11:30am-1:00pm.

I look forward to seeing you in Phoenix next month.

Very truly yours,
