

ACI Committee 548 - Polymers in Concrete
Agenda (Preliminary)
Vancouver, BC, Canada

Date: Monday, March 30, 2003

Time: 8:30am – 11:30am

Place: Hyatt Regency

Room: Grouse

1. Call to Order
2. Introduction of Members and Guests.
3. Minutes of the Phoenix Meeting, October 28, 2002
Main Committee (with sub-committee attachments)
4. Report on proposed technical session - **Polymer Concrete Structural Design, Overlay Applications and Quality Control** – Tom Wickett & Milt Anderson, co-chairmen
5. Document Status Reports
 - 5.1. **548.1R-97** "Guide for the Use of Polymers in Concrete." – Al Kaeding
 - 5.2. **548.3R-95** "State-of-the-Art Report on Polymer Modified Concrete." – Al Kaeding
 - 5.3. **548.6R-96** "Polymers in Concrete Structural Applications State-of-the-Art-Report." – Wafeek Wahby
 - 5.4. **548.X** "Standard Specification for Type EM Polymer Concrete Overlays." – Al Kaeding
 - 5.5. **548.Y** "Standard Specification for Type ES Polymer Concrete Overlays." - Mike Stenko
 - 5.6. **548.Z** "Proposed Test Method for Load Capacity of Underground Utility Structures." - Al Kaeding
 - 5.7. **548.AA** "State of the Art Report on Precast Sulfur Concrete." – Garth Fallis
 - 5.8. **548.BB** "Standard Specification for Type MP Polymer Concrete Overlays" - Mike Stenko
 - 5.9. **548.CC** "Guide for Structural Analysis of Polymer Concrete Structures." - Wafeek Wahby
 - 5.10. **548.DD** "Standard Specifications for Cast in Place Sulfur Concrete." – Garth Fallis
6. Sub-committee reports:
 - 6.1. **Polymer Concrete Overlays**, Mike Stenko, Chair
 - 6.2. **Sulfur Concrete**, Garth Fallis, Chair
 - 6.3. **Structural & Design Analysis of Polymer Concrete**, Wafeek Wahby, Chair
 - 6.4. **Task Force on PMC** – Mahmoud Reda Taha, Chair
7. Liaison reports:
ASTM, ICRI, ICPIC, SSPC, TRB, Others
8. Any Other Old Business
9. New Business
 - 9.1. Chair Announcement
10. Next Meeting – September 27 – October 1, Sheraton Boston Hotel & Towers, Boston, MA
11. Presentations by Members & Guests.

Subcommittee Meeting Schedule

Sub-committee	Location	Time
Polymer Concrete Overlays	Plaza-B (Hyatt)	Sunday, 8:30a-11:30a
Sulfur Concrete	Windsor (Hyatt)	Sunday, 11:30a-1p
Structural Design	Dover (Hyatt)	Sunday, 2:00-3:30p
PMC Task Force	Dover (Hyatt)	Sunday, 3:30-5:00p

Our Mission:

Develop and report information, and develop and maintain standards for the use of polymers in concrete.
