“SWEATING SLABS”

“Where we are and where we are headed!!!!”

- Report from Chair Neuber on the status of all chapters as they relate to being revised, completed or just needing fine tuning. The following are the current committee Chapter chairs and the status of their chapter.

Chapter 1	Allen Face On hold until next round of revisions. Allen to report on the progress of his sub committee
Chapter 2	Pat Harrison – Complete.
Chapter 3	Wayne Walker/Mike McPhee – Complete
Chapter 4	Joe Neuber – Complete
Chapter 5	Kevin MacDonald – Complete
Chapter 6	Joe Neuber/Ed Finkel – Complete
Chapter 7	Kevin MacDonald – Complete
Chapter 8	Terry Fricks – Complete.
Chapter 9	Peter Craig – Complete
Chapter 10	Allen Face – On hold until next revision. Allen to Report on the progress of his sub committee
Chapter 11	Scott Tarr – Complete
Chapter 12	Pat Harrison – Will be completed as needed as chapters are completed.

The document is currently being prepared to be turned over to TAC for review.

5) New Business

- A) Peter Craig will discuss with the committee his work on ACI 302.2R-06 (Guide for Concrete Slabs that Receive Moisture-Sensitive Flooring Materials). Peter will give a commentary on the overall changes that are being suggested by his sub-committees thru their work on the revision to the document. After Peters Overview we will start the process of discussing and voting on the proposed changes starting with Chapter 1. Discussion and voting will continue till all suggested revisions are voted on.**

We will be sending out in the next day or so the 302.2R committee suggested revisions. We would appreciate that all the members, especially the voting members, review and be familiar with these suggestions and be prepared to discuss and vote on them on the 22nd.

6) Final Discussions

7) Adjourn
