4. Approval of Previous Meeting Minutes

The minutes from the previous committee Go-to-Meeting 2012-5-9 was approved. The previous meeting minutes from Dallas and go-to-meetings were approved during the go-to meetings. There were no comments regarding those approvals.

5. Resolution to Public Comments

The primary purpose of the meeting was resolution to public comments on the ACI 562 repair code. The committee received 343 public comments (1 comment had no content present). The committee thanked all of the public commenters for their thoughtful review of the document and for the resulting improvements to the document.

To address the comments, the sub-committees had reviewed the comments and developed the responses to the comments. The responses to the comments were presented to the full committee for ballot.

At the start of the ballot process, Chair Kahn confirmed that a quorum of full committee members was present in the meeting. Secretary Keith Kesner showed and modified the code in track changes while Mike Bartlett kept up-to-date in the Public Comment/Committee Response sheet.

Kahn led the committee through discussion of the public comments, committee responses, and code changes. Subcommittee chairs presented the proposed committee responses and proposed code changes for each chapter for which their subcommittee is responsible. The committee as a whole discussed the proposed changes and committee responses for each chapter. Votes were taken for committee responses for each chapter or for parts of a chapter as presented in the table below. There was an individual vote on provision 1.7.1.

Chapter or Section	Votes Affirmative	Votes Negative	Votes to Abstain	Those voting negative or abstain
Chapter 1	19	0	0	
Chapter 4	20	0	0	
Chapter 2 & 3	20	0	0	
Chapter 5	20	0	0	
Sections 6.1 & 6.2	20	0	0	
Sections 6.3 through 6.8	20	0	0	
Chapter 7	20	0	0	
Chapter 8	20	0	0	
Chapter 9 & 10	19	0	1	Randy Poston

				abstained
Chapter 11	20	0	0	
Section 1.7.1	15	1	1	Jay Paul voted negative; Pete Barlow abstained

Following these votes, the committee voted on the entire committee response to public comments: “the committee agrees with the responses to all public comments and to the corresponding changes in the Draft ‘Code Requirements for Evaluation, Repair and Rehabilitation of Concrete Buildings’”.

This final vote was 18 affirmative, 0 negative, 0 abstain.

The response to public comments and final version of the code (in track changes format) are attached to this document. These files will be transmitted to ACI for processing by TAC and the ACI Standards Board.

6. Thanks to the Chair

The committee expressed their thanks to Chair Kahn for all of his leadership and support during the preceding six year period.

7. Date for Next Meeting

April 14, 2012, Hilton & Minneapolis Convention Center, Minneapolis, MN.
Subcommittee meetings on April 13

8. Adjournment

The meeting of the committee was adjourned at 5:20p.m. Kahn thanked all of the committee members for their participation in the committee and stated that ACI would be in contact with them regarding the committee membership

Respectfully Submitted,

Keith Kesner
Committee Secretary
