**4. STATUS OF TAC REVIEW COMMENTS**

**4.1 Revisit Responses to TAC Comments** – Committee’s responses to TAC Review Comment Numbers 21, 105, 112, 151, 153, 161, 182, 184, and 185 have been identified as possibly not adequately addressing TAC concern. The committee shall reconsider response to these TAC comments.

**5. OLD BUSINESS**

**5.1 Review Ballot 13-01 Results**

**5.2 Develop Recommendation to TAC**

- Prepare 329 Committee Resolution 1 to be presented to ACI TAC. ACI 329 Committee Resolution 1 will identify that a major barrier to implementing performance-based specification is a lack of a performance-based specification. As such, ACI 329 Committee Resolution 1 will recommend to ACI that a performance-based guide specification should be developed. The document should contain advisory information along with suggested specification language.
- ACI 329 Committee Resolution 2 will recommend that ACI 329 Committee be tasked with development of a performance-based guide specification.
- Review status
- Path forward

**5.3 Public Relations And Education** – Update of presentations to professional organizations representing designers, specifiers, and contractors about the alternative for performance-based criteria for concrete.
