ACI 310 Current Mission and Goals

Mission - Develop and report information on the application of artistic finishes of cast-in-place concrete.

Goals:

1. Develop specifications (standards) for creating and evaluating finishes for contract compliance.
2. Coordinate with the EAC and CPC & C601D/E703 certification committee to develop training curriculum to give in depth instruction on installing/creating specific finishes.
3. Evaluate existing documents and standards for reference/adoption by ACI 310.
4. Develop case studies; revise/improve photo use in support of the Decorative Concrete Guide.
5. Develop a list of industry associations to proactively contact to get feedback on the Guide.
