John Lund (546)
Tracy Marcotte (563)
Kelly Page (ICRI)
Jay Paul (563)

Carol Shield (440)
K Nam Shiu (SDC-RPC)
Michael Stenko (TAC)
Eldon Tipping (TAC)
David VanOcker (364)

1.0 Welcome (Goodwin)

2.0 Introduction (Goodwin)

Committee Mission: Advise TAC on and coordinate ACI information related to repair and rehabilitation of structures.

Goals: 1) Adjust membership of TAC Repair and Rehabilitation Committee (TRRC) to include chairs of committees producing documents important to repair and rehabilitation; 2) Implement the Action Plan: (a) Update timetable of the Action Plan, (b) Review recommendations from the TRRC 2006 MCP document review summary and prepare a prioritized list of recommended specific actions for specific committees for TAC approval, (c) Contact affected committees to discuss TAC objectives regarding their committees' documents; 3) Continue support of key Committees 562 and 563 that are developing the code and specifications, respectively, for existing concrete buildings; 4) Continue support of committees producing documents related to existing structures to avoid duplication and overlaps; 5) Review documents related to existing structures produced by ACI committees during TAC review.

3.0 Approval of the Meeting Minutes from Reno, NV, March 25, 2014
