6) Old Business:

Reports from task groups for ongoing research.

- A) Darryl Manuel----Liquid surface treatment standard.

7) New Business:

- A) The 302-1R Document is published.
- B) Discussion on 302-2R Document
- C) The floor will be open for general discussion of any topic that those attending would like to discuss and or have the members look into. We will limit this to 20 minutes per topic if it looks like we have a lot of items to discuss. This will be a good time for anyone to discuss an ongoing problem or something new that might be occurring. I will ask anyone who would like to be part of this forum to contact me right away so I can create an agenda for the committee. This will be a great time for the members to voice their concerns on any topic that relates to our committee.

8) Final Discussions:

9) Adjourn:
