# THE ACI EXCELLENCE AWARDS GALA SPONSORSHIP ADD-ON OPPORTUNITY

## Increase your exposure to the ACI community!

### ACI Excellence in Concrete Construction Awards Gala

The ACI Excellence Awards celebrates exceptional concrete projects from around the globe. It is held on Monday night at each fall ACI Concrete Convention. Hundreds of influential concrete professionals from all segments of the industry convene to walk the “red carpet” and mingle with award winning project teams from around the world. Position your organization as a leader in the industry, celebrate winning projects, and highlight your commitment to advancing and sharing knowledge through sponsorship.

### About the gala

The Excellence Awards is an extravagant event that some have called the concrete industry Oscars. Upon entering the ballroom, attendees are escorted to a 40-foot-long step and repeat backdrop to pose in photos and participate in “red carpet” interviews. Live music fills the room as guests enjoy cocktails and hors d’oeuvres. Afterward, a three-course dinner is served complete with wine, and fresh floral arrangements. The night culminates as the winning projects are announced, profiled, and celebrated one by one. All while, the audience experiences a dynamic visual presentation that includes photos and time-lapse and aerial video. Supported by cinematic orchestra music, the audio/visual footage dramatizes both the art and science used before, during, and post-construction. At the conclusion, the year’s overall winning project is unveiled.

# Exhibit Terms & Conditions

## Booth Assignments

Booth assignments are completed in two stages. In the first stage, a loyalty point system is used to give first priority in booth selection during the first 15 days of the official floorplan being released (est. July 2024). In the second stage, booth assignments are made on a first-come, first-served basis, regardless of loyalty point accumulation.

Loyalty points are earned at each convention in which a sponsor participates. Points are awarded per show and are retroactive from the previous six conventions. Failure to comply with ACI's Terms & Conditions will result in loss of points. Points are awarded as follows:

\$2,500+ = 1 point per show

\$5,000+ = 2 points per show

\$10,000+ = 3 points per show

Should you have any questions regarding booth assignment, the point system, or the terms and conditions, please contact Carole.Berrelez@concrete.org.

## Booth Inclusions

Each 10 x 10 ft booth space includes: Pipe and drape, one 6 ft skirted table, two chairs, waste basket, and company ID sign. Existing carpeting in exhibit hall.

## Booth Construction

Exhibit materials may not extend past the allotted 10 x 10 ft area. Signage and setup should allow line of sight to other exhibits. Show management has the right to make you take down or remove anything that may block the view of other booths.

## Forced Freight

Materials not packed and picked up by the end of the designated move-out time will be considered forced freight. The general service contractor will assume responsibility for forwarding that freight to the sponsor. Sponsors will be responsible for the costs to break down, package, and ship that freight.

## Manning Your Exhibit Booth

ACI only requires that materials be readily available to be picked up by attendees during the show hours. ACI does NOT require that sponsors be in their booth at all times.

## Exhibit Move-in/Move-Out

Exhibit Move-In is Saturday, November 2 from 8:00 am – 12:00 pm. If you foresee a problem with moving in during the designated move-in

## Americans with Disabilities Act

All parties shall be responsible for compliance with the public accommodation requirements of the Americans with Disabilities Act and the Act's accompanying regulations and guidelines (collectively, the "ADA"). No adjustments to the scheduled labor, delivery of storage materials, and acceptance of bills of lading will be made for a sponsor that breaks down prior to show closing. Sponsors who break down before the end of the show will forfeit their points earned for that show.

## Storage

Combustible materials such as crates and boxes are limited to a 1-DAY SUPPLY on the exhibit floor. Storage of combustible materials behind booths is prohibited. The fire marshal will inspect prior to the show opening. Sponsors must remove any items that the fire marshal deems a fire hazard. Sponsor shall provide ACI with a copy of its insurance certificate no later than 30 days (10/3/2024) prior to the convention.
