

Public Discussion

The ACI draft standard open for public discussion that is being processed can be found at www.concrete.org/discussion. This is not yet an official ACI standard.

| Document number | Title | Open for discussion | Discussion closes |
|-----------------|---|---------------------|-------------------|
| 563 | Specifications for Repair of Structural Concrete in Buildings | 1/29/2018 | 3/15/2018 |

Proposed Standards

ACI 563 “Specifications for Repair of Structural Concrete in Buildings”

The ACI Technical Activities Committee (TAC) approved processing the subject document through ACI’s Standardization Procedure in July 2017 as did the ACI Standards Board in January 2018.

The document appears on the ACI website, www.concrete.org/discussion.

Pertinent discussion will be available on ACI’s website and announced in a future issue of *Concrete International* if received no later than March 15, 2018. Comments should be e-mailed to discussion@concrete.org.

FREE Education Resources

Online Education Presentations

Browse from a large selection of recorded presentations from ACI Conventions and other concrete industry events available for viewing online.

Presentations are also available on ACI’s YouTube Concrete Channel
