

On the Move

Sargent

DICA® announced **Matt Sargent** as Chief Financial Officer (CFO) and Integrator and **John Jansen** as Director of Marketing. Sargent has a background in financial leadership, strategic planning, operational finance, and business integration. Before joining DICA, he served as CFO for multiple companies, managing large-scale financial operations, securing significant government incentives, and leading mergers and acquisitions. He collaborated with executive teams on strategic direction, resource allocation, and analysis of prospective investments. He has proficiency in budgeting, forecasting, and cash flow management.

Jansen

Jansen brings expertise in branding, omnichannel marketing, and strategic growth initiatives. He has led marketing teams across the entertainment, business-to-business (B2B), and industrial sectors, developing data-driven strategies to enhance brand recognition and drive revenue. Since 2017, Jansen has gained experience serving the crane and rigging industry through various roles at Industrial Training International. Jansen's past roles include leading digital advertising efforts that increased sales, and launching campaigns.

The Society of Fire Protection Engineers (SFPE) named ACI member **Shamim Rashid-Sumar** President-elect. Rashid-Sumar is a fire protection engineer with over two decades of experience in the profession. In her current role as National Ready Mixed Concrete Association (NRMCA) Senior Vice President, Codes and Standards, she works with national model building codes and standards organizations,

Rashid-Sumar

advocating for resilient and sustainable construction. She also provides technical support regarding codes, standards, and regulations to legislators at the national, state, and local levels. She has been an active supporter of SFPE throughout her career, establishing the SFPE United Arab Emirates Chapter, where she previously served as President, and serving as a member of the SFPE Board of Directors for 5 years. Rashid-Sumar will begin her term as President on January 1, 2026.

Rustad

Sean Rustad joined CLUTCH, a consultancy/agency hybrid in Minneapolis, MN, USA, as Vice President of Building Materials and Construction. With over 20 years of experience in the building materials and construction industry, Rustad came to CLUTCH from Lee Building Products in Bowling Green, KY, USA, where he served as Vice President of Sales and Marketing. As a concrete block manufacturer, Rustad also served on the Board of the Concrete Masonry Checkoff (CMC), a growth partner of CLUTCH.

Honors & Awards

Hodge (right)

ASTM International Committee C13, Concrete Pipe, presented its 2024 Award of Merit to **Wayne Hodge**, Senior Director of Engineering at Rinker Materials. The award, which includes the accompanying title of fellow, is ASTM's highest recognition for distinguished service and outstanding participation in ASTM International committee activities.

Hodge was recognized for lending over 30 years of expertise to the committee, both in leadership positions and as a background contributor, on topics like box culverts, pipe design, and more. An ASTM International member since 2004, Hodge previously received the Merlin G. "IB" Spangler Award in 2014. He joined Rinker Materials in 1993 and assumed his current position in 2024. His career concentration is product design of precast reinforced concrete pipe and box culverts. In addition to ASTM, he's a member of the American Concrete Pipe Association (ACPA), American Society of Civil Engineers (ASCE), and the National Society of Professional Engineers (NSPE).
